A woman for president?

The Dallas Junior High School American Experience class, taught by Mrs. Maryann Storz, recently studied a unit on the American Presidency. The concluding class activity was a debate on the question "Would a woman make a good president?" Extensive research was done on the historical roles women have played in national and world leadership.

Science Night held

Recently, during Catholic Schools Week Celebration, Gate of Heaven School held their annual "Science Night" program: There were 140 projects from grades four to eight. Pictured is eighth-grade student, Adam Morris, explaining his project on LANDFILL.
