After pacing the Lady Mountaineers to a 13-3 win over Lake-Lehman Wednesday afternoon, Dallas pitcher Laura Poynton won the Mountaineers game with Bishop Hoban knocking out a two-run single to give her team an 8-7 win. The Dallas girls were leading 5-1 going into the top of the seventh

when the Lady Argents, with two out broke the game wide open by scoring six runs to take a 7-5 lead.

In the bottom half of the seventh, Lori Cave walked, Jill Urbanas singled and Joyce Tinner sent Cave home with a single. Urbanas went to third in a run-down and Tinner took second, then Poynton with two strikes on her, drove in the winning run to give Dallas the 8-7 win.

In the 13-3 game over Lake-

Lehman, Dallas had a big seventh inning, sending 10 runners to the plate and scoring seven runs. Melanie Reed drove out a two-run triple in the inning to highlight the scoring. Holly Bachman hit an RBI double and Wendy Hozempa hit a two-run single in the same inning.

Poynton fanned six and walked two while giving up only eight hits. She also drove out three hits and scored three runs in the romp over Lake-Lehman.

Young anglers successful despite cold

BY CHARLOT M. DENMON

Mother Nature's snowstorm and the cold, brisk air that ushered in the opening of trout season last Saturday turned away some of the usual fishermen but youngsters, boys and girls, came out to brave the wind and cold to take part in the Harveys Lake Bassmasters' Trout Derby.

Some in heavy parkas, others in jean jackets, stocking caps, gloves and boots ran and played prior to 8 a.m. in the area near Joe's Grotto Pizza.

The sun was shining and the

snow fast disappearing as the hands of the clock reached 8 a.m., and the youngsters checked in, then took off for a favorite fishing spot around the lake.

Their enthusiasm ran high as thoughts of winning one of the coveted prizes filled their heads. Some of the children fished in pairs, others went with one or both parents and some of the older, more brave boys and girls took off alone.

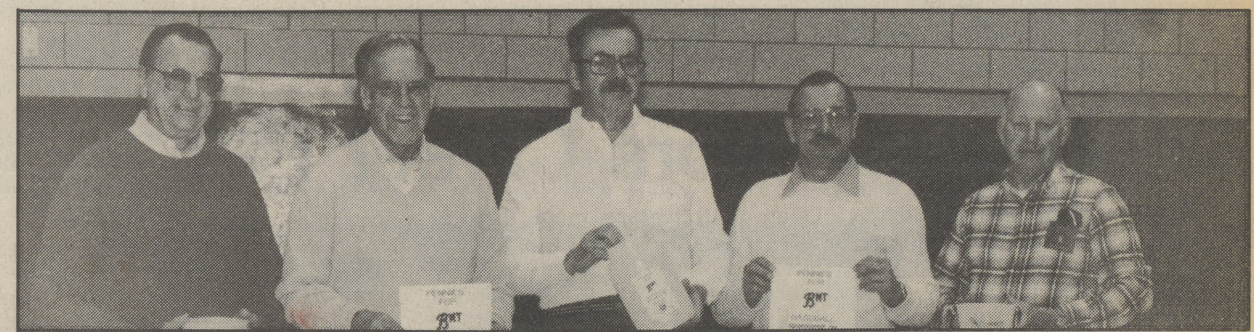

The fish were biting and shouts of glee could be heard in several locations around the lake as the young fishermen or women landed their 'prey'.

Worms, lures, flies, corn and

cubes of bread were among the kinds of bait used by the young anglers with many of the children finding the fish liked corn and worms their favorite last Saturday.

As time advanced, the anglers began to brave the cold and soon the entrants in the Derby had their catch and wended their way back to the location adjacent to Joe's. They waited patiently in line waiting their turn to have their fish counted and weighed. Hands were freezing, toes were cold and faces were rosy red in the cold but the ardent, young fishermen waited patiently.

It was a day they will long remember—the fishing, new friends and the cold, cold weather.
