Meadows offers free screenings

BY CHARLOT M. DENMON
Staff Writer

Marilyn Gregorski, director of activities at The Meadows, announced recently that the third in a series of Health Fairs will be conducted at The Meadows, Wednesday, April 27.

The public is invited and urged to take advantage of the free screening at the Fair for cholesterol, blood pressure, vision and proper eye care. Geisinger Medical Center will be in charge of the cholesterol testing, Wellness Company, the blood pressure and Pugliese Eye Clinic the vision and eye care. The screening will be from 1 to 3:30 p.m.

The fair is the third event conducted by The Meadows as a means to express the personnel's appreciation for the public support they have received since the home opened in August five years ago. Previous

screenings were conducted in February and last November.

"We have had wonderful support from civic groups, churches, scouts individual volunteers and our auxiliary," said Ms. Gregorski. "Our volunteers have increased in number from 25 to 110 and we now have 35 to 40 candy strippers. We can't express enough how much we appreciate the support we have had from the Back Mountain community," Ms. Gregorski said.

In honor of the volunteers, The Meadows will hold a Recognition Luncheon during National Health Week this month. Two of the residents will welcome the volunteers and women will be presented with corsages and the men with boutonnières. Staff members will wear V's made of red ribbon to indicate their appreciation to the volunteers.

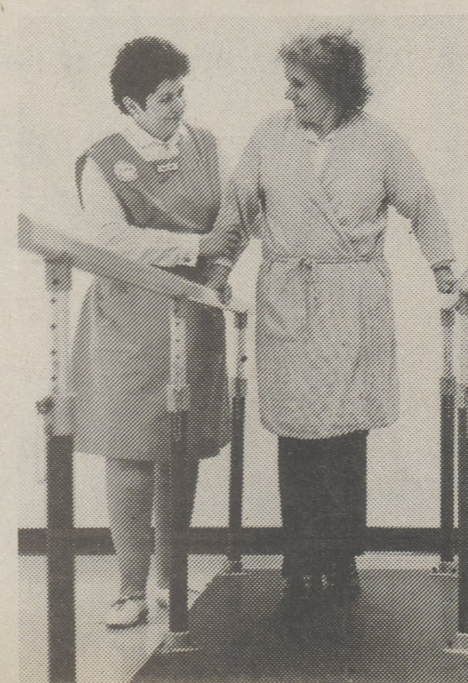

In the recent community room and chapel which have been added to the

home, The Meadows has had two American Red Cross Blood Drives. The community room is available to various organizations as a meeting place and interested groups may obtain additional information by contacting Ms. Gregorski.

Nursing students from College Misericordia, music students and other college volunteers also assist the staff personnel with residents. The Meadows Auxiliary is an active group and conduct numerous activities for the residents. They are presently planning a Mother's Day Social for May 7 and also making plans for only fundraiser of the year "Market on the Pond", a flea market, which has been very successful in the past. Last year the proceeds of the flea market were used to purchase a van which transports the residents to the doctor's and other places it is necessary for them to go.

FREE HEALTH SCREENINGS - As a community service, The Meadows Nursing Center, 55 W. Center Hill Road, Dallas, will sponsor free health screenings on Wednesday, April 27. Eye glass adjustments and minor repairs will also be offered. All community residents are invited to participate, no appointment necessary. For more information, please call 675-8600, Ext. 115. Shown at planning session for Vision Screening are, seated from left, Jack Keller, Optician and Mark Kelly, Administrator, Pugliese Eye Clinic; standing, Joseph P. Pugliese, C.O.T., Technical Administrator, Pugliese Eye Clinic; Marilyn Gregorski, Director of Marketing & Public Relations, Meadows Nursing Center; Dr. Jay B. Tanner, Staff Optometrist, Pugliese Eye Clinic.

NO MEDICAL ADVANCEMENT CAN EVER ECLIPSE THE MIRACLE OF A VOLUNTEER'S SPIRIT.

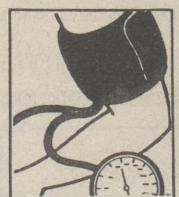

We salute those who share their time and talent so generously, and we invite you to join them.

For information about General's Volunteer Program call 829-8111 Extension 3029.
