## Library notes

Happy birthday, sweet Elizabeth! It hardly seems possible, however, Sunday, April 17, 1988 was the birthday of my granddaughter, who is now one year old. Where does the time go? I spent a lovely weekend in Philadelphia visiting with Elizabeth, son Cliff and daughter-in-law, Barbara.

The Book Club of the library held its April meeting recently in the reference room and enjoyed an interesting talk given by Mary Ann Yonki of the Osterhout Library in Wilkes-Barre. She spoke of National Library Week and the contests connected with it and told the women about Access Pennsylvania, a state-wide library card system. The Book Club membership stands at 180 for 1988 with a goal of 215 by year's end. The dues are \$10.00 for single and \$15.00 for a double membership. The money is used to purchase books from the best seller list which are reserved exclusively for Book Club members for the first year, at which time they are then added to the library regular shelves.

The 1988 library auction is scheduled for July 6 to July 10, Wednesday until Sunday. Dr. John Shaskas is general chairman with Dr. Durelle Scott as co-chairman. The library staff is always happy to receive books donated for the library shelves or for the book booth at the auction. These may be brought to the library during regular library hours. Also, odds and

ends and other items for sale at the auction may be brought and stored in the auction room. Volunteers may also sign up at the library. The auction is a terrific financial boost to the library budget, but it requires many hours of work by many people.
