## Some useful tips from Carmel

Here are some May memos from the Capitol. The state Agricultural Department warns that individuals who have failed to purchase 1988 licenses for dogs six months of age or older could be fined up to \$300 for each unlicensed dog

Pennsylvania's Dog Law requires that owners obtain dog licenses by Jan. 1 each year. Licenses are available at the county treasurer's office.

William K. Kennedy, director of the Bureau of Dog Law Enforcement, said that wardens will canvass counties in the coming months. Wardens and police officers will prosecute the owners of dogs that have not been licensed.

"Licensing provides valuable protection for the dog, its owner and the public," according to Kennedy. "When a dog strays or becomes lost, the license is frequently the only way to trace the owner and return the animal.

While conducting their license canvass, wardens will also check to see that all dogs and house cats three months of age or older have been vaccinated against rabies. Violation of the state's rabies law can bring fines of up to \$300 a day.

available PHEAA+HELP is a direct loan program

consisting of nonsubsidized guaranteed student loans, supplemental loans and Health Education Assistance (HEAL) loans. Pennsylvania is the only state which makes the nonsubsidized loans available to eligible guaranteed student loan applicants who do not meet the federal financial need analysis stan-

dards for the subsidized loan program. In addition to a detailed explanation of the HELP program, the brochure includes a chart summarizing all the available educational loan programs guaranteed or issued by PHEAA.

The Department of Public Welfare is expanding the Medical Assistance Program to provide special medical assistance coverage to pregnant women and to children under the age of two with family income up to 100 percent of the federal poverty guidelines.

The program, known as "Healthy Beginnings" help pregnant women secure early prenatal care and give the newborn baby a healthy start. If you fall within the following guidelines, you should be eligible for the program: Family size 1; Yearly Income, \$5,770; Monthly Income: \$481; 2, \$7,730, \$644; 3, \$9,690, \$808; 4, \$11,650, \$971; 5, \$13,610, \$1,134; 6, \$15,570, \$1,298; 7, \$17,530, \$1,461; 8, \$19,490, \$1,624.

(Families with more than eight members should add \$1,960 yearly or \$163 monthly for each additional person.)
