**AUTO BODY REPAIRS**  
**Before your beauty becomes a beast...**  
**Show your car you care.**  
Better take a good look at your car. It may not be in as good shape as you think it is. Unfortunately, most people don't start thinking about their car's appearance and what it's worth until they're ready to trade it in. And by then it's too late.  
For what it's worth, now is the time to think about your car's appearance. Now, before its beautiful paint job fades to a beauty parlor.  
Now, before its beautiful body is pockmarked with beauty rust and ding and dent. Because keeping up your car's appearance is the best way to be sure you get the most value out of it now while you drive it and later when you trade it.
