### PLAYSCHOOL OPENS KINDERGARTEN

At this time the Playschool is initiating steps toward offering a licensed Kindergarten program (afternoon session), targeted for September 7, 1988. Our staff is now considering several excellent Kindergarten curriculums from both private and public schools. Our expectation is to select a program that stresses strong academics, (mastery of skills in reading readiness, math readiness, science, current events, penmanship, art and music), while taking the utmost care to preserve traditional Kindergarten values (developing self-discipline, self awareness, listening skills, sharing and stable emotional balance). Our primary goal is to encourage young children to use their natural resources called curiosity and imagination.

For more information call the Playschool at 675-1575 between the hours of 9:00 a.m. and 1:00 p.m.
