Dallas tops Meyers 32-20 for first conference win

By CHARLOT M. DENMON Staff Writer

"Our kids played sluggish in the beginning," said Dallas coach Ted Jackson following his Mountaineers 32-20 win over the Meyers Mohakws Saturday night. "They improved as they went along but they gave up two big plays. They played well in general and it was a big win for us. We had over 400 yards and it our first win in our division.

"Now we have to prepare for this week's game with Tunkhannock. It will be tough. They are big and strong and outweigh us by 35 or 40 pounds. Berwick and Tunkhannock are probably the two best teams in their division. The Tigers are well coached and they have a great quarterback. They also have all of their backs from last season. It should be a "heck" of a

In Saturday night's game with Meyers it was Jerry Ogurkis all the way as he scored four of the Mountaineers five touchdowns and kicked two of the extra points. Ogurkis also collected 95 yards in rushing and quarterback Jay Cherup scored the fifth touchdown on a 70-yard run.

Dallas led 12-6 at halftime after overcoming a Mohawk 6-0 lead. His kick for the extra point failed and the score was tied 6-6.

On their next possession Dallas started on their own 20-yard line but a 28-yard run by Cherup and his 27-yard hit to Wayde Post took the Mountaineers to the Mohawk 25-yard line. Scott Starbuck caught a pass on the one yard line three plays later and on the next play Ogurkis went over for his second touchdown. Cherup's pass for two points failed and with seconds left on the clock Dallas was in front 12-6.

In the third period Dallas scored on their first possession. The Mohawks failed to pick up the ball on the kickoff and Dave Mayer recovered for the Mountaineers on Meyers 31-yard line.. They gained yardage on the ground and some additional yards on a penalty and Ogurkis went for his third touchdown from the nine-yard line to give Dallas an 18-6 lead. Lake-Lehman easily defeats Scranton Central

By CHARLOT M. DENMON Staff Writer

Lake-Lehman Black Knights played outstanding defense the first half against Scranton Central Saturday afternoon to go into the locker room with a 7-0 lead at halftime.

"We hurt ourselves with penalties in the first half," said Knights coach Rich Gorgone. "We could have put the Eagles away in the first half but we missed scoring opportunities with too many penalties.

"In the second half they made two good runs against us but don't forget we didn't play Stan Simms at all and Chris Engle was only in on offense. Our biggest defensive play of the game was in the fourth quarter when we held Central on fourth and one to go at the goal line."

The Knights swarmed all over the Eagles when they went for the

touchdown on a run around the left side and stopped the Eagles inches away from a first down.

Lake-Lehman offense took over and took eight and a half minutes off the clock by driving 97 yards in 15 plays to the Eagles one-yard line. From there Rob Michaels took the ball over the touchdown with only seconds over one minute on the clock. Engle's kick was good to give the Knights a 20-8 lead.

The Knights took an early lead in the game when Scott Wascalus ran the ball into the endzone from the 18-yard line. Neither team scored in the second quarter.

The Eagles came out strong in the second half and took 11 plays to go 64 yards from where quarterback Rob Lazor hit Paul Magnotta in the endzone for a touchdown. Mark Constantini added two points by going over from three yards out to give the Eagles an 8-7 lead.

The Eagles lead wasn't for long as the Knights made a 65-yard drive to the two yard line from where Michaels took the ball over from there into the endzone. His try for two points failed when the Eagles stopped him at the goal line.

On their next possession Michaels gave the Knights an insurance goal with less than two minutes remaining on the clock.

"Our kids played well for most of the game," Gorgone said. "Now we have to look ahead to Friday night and Meyers on the turf. We can't take them lightly, they gave Dallas some problems last week and they have been improving with each

"They're in our division so we need this game. We have a lot of work to do this week. Our kids don't like the turf but they have played and won on it before. That's where we have to set our sights but we can't get over-confident."
