### Brownie Troop #929 visit local hospital

Members of the Shavertown Brownie Troop #929 recently toured the Geisinger Wyoming Valley Medical Center in Plains Township. The children toured the EKG testing area, the cast room in the emergency department, pediatrics and the nursery. The children were also presented a Scrubby Bear program on good hand-washing techniques. In addition, each child received a free Halloween reflective safety sticker. Pictured are members of Shavertown Brownie Troop #929, first row, from left, Gwen Zerembo, Tracee Watchulonis, Amanda Ellsworth and Kelly Seaman. Row 2, Kerri Jean Stephens, Emily Mallick and Amy Samuels. Row 3, Elizabeth Stocker, Sally Sariah and Susan Smith.

### Lehman Methodist Youth Group seeks needy families

The Youth Group of the Lehman United Methodist Church needs help locating families with critically or terminally ill children.

Each year the Lehman United Methodist Youth Fellowship pledges at least 30 percent of their profits from their annual Haunted Barn to the Wyoming Valley Children's Aid Fund.

The Wyoming Valley Children's Aid Fund was set up in 1985 to help ease a little of the financial burden of families with critically or terminally ill children. The fund has grown considerably and money is available to help area families. Each grant is awarded after consideration by an administering board on a case by case basis.

The Youth Group Haunted Barn, located behind the Lehman Post Office, is open to the public at a cost of \$2.50, on October 20, 21, 22, 27, 28 and 29 from 7-9 p.m. on Thursdays and 7-10 p.m. on Fridays and Saturdays.

We invite everyone to come to the haunted barn and ask that everyone help find area families with critically or terminally ill children so we can help them

### Leaf pickup in Kingston Township will be October 31-November 4

Kingston Township Road Superintendent Robert Chamberlain has announced that the annual pick up of bagged leaves has been scheduled for October 31 through November 4. Residents are advised to have leaves bagged and placed at the curbside for pick up. The pick up is limited to bagged leaves only. Township crews will be conducting the pick up between the hours of 7 a.m. and 3 p.m., Monday through Friday.

Road Superintendent Chamberlain asks the cooperation of residents in refraining from sweeping leaves into gutters and roadways. The leaves tend to block storm drains and this poses a serious maintenance problem to the Road Department. A Township ordinance also prohibits this practice.

Leaf pick up will proceed as weather permits and snow removal will supersede all other maintenance activity.
