Dallas High School golf team led by Jim Milliauskas' rallied from their third place spot after last Friday's performance to take the Wyoming Valley Conference championship.

Following a bad start over Sugarloaf on Friday, the Mountaineers clinched the league title at White Haven's Mountain Laurel Resort. The Mountaineers were nine strokes behind the strong Coughlin team after Friday's play.

Their coach Tom Kilduff was amazed at the comeback made by his Mountaineers although he believed that Dallas had a deeper team.

It was just that he knew to jump from third to first over Coughlin was a major feat.

Following the 27 holes played by the team, Coughlin and Dallas were tied at 517 and the coaches added the scores from Monday's fifth hole to determine the championship.

Milliauskas was low scorer for the Mountaineers with 81. Phil Navrole scored an 85 for Dallas and Jim O'Donnell and Paul Deebie fired 88's with Mark Fies hitting 93.

The title gives the Mountaineers the privilege of representing Wyoming Valley Conference at the District 2 team championships at Scranton Municipal Golf Course, Wednesday. The Dallas team will meet Scranton Prep for the district title.

Mount Hugh Mundy. The Dallas runners took five of the top seven places to clinch the win and the conference crown.

In addition to Mundy's second, Steve Oliver came in third in 15:54. Jared Samuel placed fifth 16:26, Walt Fader sixth in 16:32 and Jim Evans seventh in 16:43. John Aston came in ninth in 17:11.

Dallas coach Bill Kvashay is pleased with his athletes' performance this year and attributes his team's success to their ability to run together. He said he hopes his athletes continue to run as they have been for the districts and in the state competition.

"It is our depth that has helped us and the boys ability to run together," Kvashay said.

The Dallas Mountaineers put everything together in Saturday night's game to defeat GAR 40-7 on the artificial turf at Wilkes-Barre Memorial Stadium and move their record to 3-0 in their division.

"Our team is looking better," said Jerry Ogurkis following the game. "We are beginning to put everything together and we have had two good games in a row. We broke down in between with Tunkhannock and Pittston. Now our momentum is picking up and everybody is playing together."

"Hanover is bigger and more physical. Our game with them Saturday will be a different type game. Everybody's got to be ready for Saturday's game," he continued.

Ogurkis was ready against the Grenadiers. He gained more than 140 yards on the ground and scored three touchdowns. Four of his kicks were good. The Mountaineers scored

three touchdowns in the first half, including one in the first quarter on quarterback Jay Cherup's one yard run into the end zone. Ogurkis kicked the extra point to give Dallas a 7-0 lead.

GAR's Mowie Harris gave the Grenadiers a touchdown in the second quarter on Santanna John's 12 yard pass to him in the endzone and Jim O'Day made the extra point.

The Mountaineers put two into the endzone in the second quarter. Cherup threw an 18-yard pass to Jim Lister, then connected with a 17-yard hit to Ogurkis. On the next play Ogurkis went into the endzone from the one yard line for a score and his extra point was good.

The Mountaineers scored their third touchdown of the first half when they recovered an on-side kick in GAR's territory and Cherup threw a screen pass to Ogurkis who carried it 44 yards for a score. Ogurkis again kicked the extra point and the score was 21-7 at the half.

Dallas came out strong in the third quarter and scored 19 points in that quarter to give them more than they needed against the Grena-

diers. Ogurkis scored from nine yards out but his try for extra point failed. Shawn Ruth took a 29-yard interception into the endzone for a score and Ogurkis' kick was good. Lesjak finished the scoring when he went over from the two-yard line for the Mounts final score.

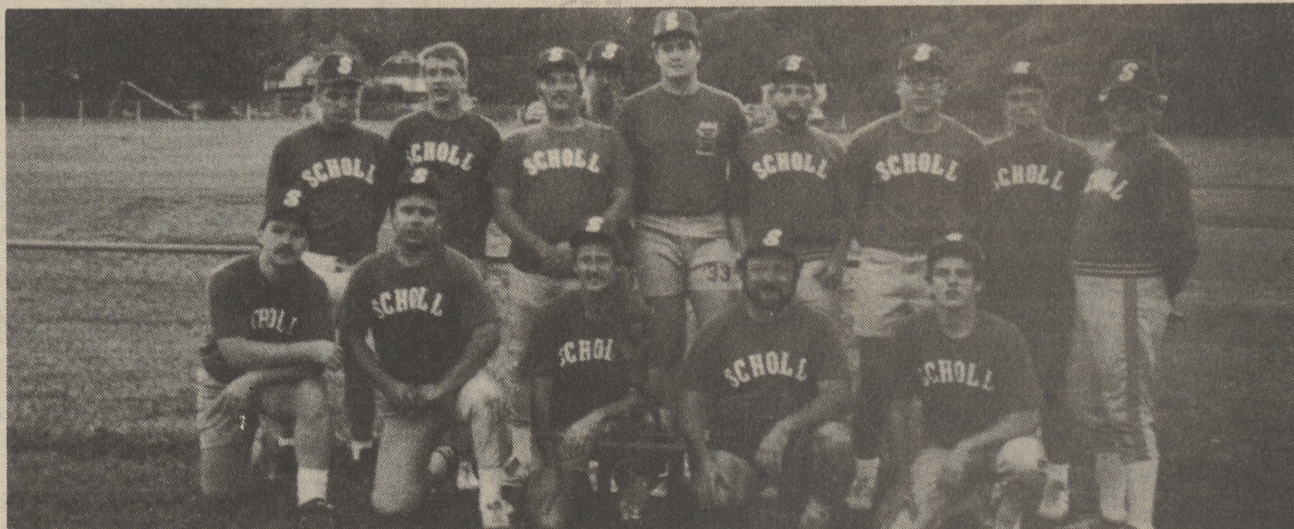

"We had a total team effort Saturday," said Jay Cherup. "I just threw the ball to Ogurkis or Lesjak and they caught it. Everybody was playing pretty good. Our defense was playing very well and our offensive line was doing well."

"Hanover is next Saturday and they're tough. They're big and physical. Our offense will have to play very well," Cherup concluded.

Coach Ted Jackson said he was pleased with his team Saturday. They started out playing well and they had a good second half.

"Our defense and our special teams played very well and our offensive line was excellent. They opened some big holes for our backs," said Jackson.

"Hanover is something else. They have a tough tight end, guard and tackle. Their leading back has over 1,000 yards. It will be a tough game."
