Commonwealth breaks ground for new building on Route 309

Commonwealth Telephone Company has broken ground for the construction of a new office building on Route 309 in Dallas. Adjacent to Commonwealth's Service Center, the

building will house approximately 200 employees from the company's Data Processing and Accounting Departments.

In announcing the \$5 million project, Jack H. Thomas, executive vice president, said the 52,000 square-foot building is scheduled for completion in July 1989. Commonwealth has contracted with Pyros and Sanderson Architects of the Quad Three Group, Inc., Wilkes-Barre, to oversee design, engineering, and construction of the building.

The new structure will be a state-

of-the-art facility, with raised flooring to allow for easy access to all cabling, and will contain a 4,000-square-foot computer room.

Currently, the Data Processing and Accounting Departments are located at the company's headquarters on Lake Street in Dallas. The Lake Street building additionally houses the executive staff, engineering and planning departments, and various support services. Thomas stated that the new structure and the relocation of select departments will allow for expansion and growth requirements.

Pet of the week

Tiger is a domestic short-haired cat spayed with declawed front paws looking for a new home since her former owners could no longer keep her. The year-old tiger colored feline with white markings is housebroken as well. She is looking for an owner, who wants a pet for company - a pet who will not be too much work. Tiger is that kind of a pet who wants someone to adopt her and love her. Call the SPCA of Luzerne County for more information about this pet.

United States.

The OWAA is an organization of over 1,800 professionals, writers, editors, lecturers, photographers, artists, and radio and television broadcasters who communicate the "outdoor experience" to the public.

The exhibit will remain on display at the Penn State Wilkes-Barre campus library until November 11. The public is invited, free of charge, to view the exhibit. Library hours are: Monday-Thursday, 8 a.m. - 10 p.m.; Fridays 8 a.m. - 5 p.m., and Sundays 2 p.m. - 10 p.m.
