Kingston Twp. tax ordinance update

The Kingston Township Board of Supervisors wish to remind township residents that the township has an ordinance which exonerates individuals who have a gross income of less than \$5,000 per year from paying the Township Per Capita Tax.

Individuals who are eligible for this exoneration are required to file an exoneration application with the Township Secretary before January 11 of each year. Each request for exoneration will be reviewed by the Board of Supervisors who will either approve or disapprove the application for exoneration at a regular meeting of the Board.

High school graduates of 1988 will be assessed in the 1989 Per Capita Tax Levy. Students, depending upon their income, may also choose to file for an exoneration.

The "Age 65" exoneration is available to all residents who will turn 65 during 1989 by furnishing proof of age to the Tax Collector, and filing the proper exoneration form with the Township office.

Residents having any questions are asked to contact Janice Castellani, Tax Collector, at the Township Building, Monday, Wednesday or Friday from 10 a.m. to 2 p.m. at 696-3809.
