## Watch the Harveys Lake Council on primetime TV?

by Sara J. Lundberg  
 Managing Editor

Harveys Lake residents may be able to find out what is happening in the local political arena from the privacy of their own homes if a motion passed by the Harveys Lake Council becomes a reality. Last Tuesday the Council voted by a 4 to 3 margin to televise their monthly meetings via the borough cable service.

Council member Rick Boice came up with the idea, saying that it was in the council's contract with the cable company that one borough meeting per month could be tele-

vised.

"People can stay home and watch rather than come to the meetings," said Boice.

One of the council members commented, "If we look stupid, everyone will know."

The motion to televise the monthly meetings came after a motion to send out a quarterly newsletter to inform residents about council activities was rejected.

In other business the council tabled bids for collection of household garbage until further review can be made regarding the significant price differences in the bids that were submitted.

A motion was made by council member Joseph Sgarlat to open and keep plowed an area in Sunset Beach for fire trucks.

Council member Dave Abod read a letter of resignation from former EVAC (Environmental Action Committee) member Dave Ambrose. Ambrose resigned from the committee because he is leaving the area. EVAC was formed for the purpose of studying the environmental status of the Lake.

It was also announced that the recreation center is nearly completed.

## Dallas Township asks no new taxes

BY CHARLOT M. DENMON  
 Staff Writer

Dallas Township supervisors at their November 15 meeting presented their proposed budget for 1989 which includes no property tax millage increase.

The proposed spending plan of \$820,600 retains the six mills and the per capita tax of \$5. A mill is a \$1 tax on every \$1,000 of assessed property value.

The increase of \$24,600 in the budget over 1988 is due to a five percent increase in the police contract and minor increases in other items.

Township supervisor Glen Howell said the additional money for the 1989 budget would come from the increase in earned income and real estate transfer taxes in Dallas Township.

The proposed budget is expected to be adopted on December 20.
