## Mercy preschool registration and open house this Sunday

Mercy Center Preschool will conduct registration for the 1989-90 school year on Sunday, March 5, with open house from 2 to 4 p.m., according to Sister Stella Maris Ozimkowski, RSM, administrator.

Located on the grounds of College Misericordia in Dallas, the pre-kindergarten school is a fully-accredited, private, educational facility operated by The Sisters of Mercy. It offers three, four and five-year-old children a rich variety of learning activities.

"For many children," Sister Stella Maris said, "attending classes at Mercy Center Preschool is their first venture into large group activity apart from home and family. Boys and girls come to us

with varied experiences and diverse interests, usually mixed with anxiety and enthusiasm. They seek acceptance, they need to find security and meet success, and they require supportive guidance as well as multiple opportunities to grow in self-reliance and self-realization."

Areas of learning at Mercy Center Preschool include: religious development, reading and math readiness, art and music, and social studies and science.

For further information, contact Sister Stella Maris at 675-2131, extension 329. Morning sessions are from 9 to 11:30 and afternoon sessions are from 12:30 to 3.
