

Congratulations Hi-Meadows

The new **Hi-Meadows Apartments** bring to completion an attractive, interconnected complex for the convenience of the residents in the area between Route 415 and the Old Lake Road, Dallas.

HI-MEADOWS - The exterior of Hi-Meadows Apartments is beautifully designed highlighted with white trim and featuring ground to ceiling cathedral-type windows.

LIVINGROOM - Frances Trebilcox's apartment is typical of the one-bedroom apartments in Hi-Meadows and is furnished with beautiful furniture Mrs. Trebilcox brought with her from her home.

Florence Konopke, manager of the new **Hi-Meadows**, confirmed that there are 40 units, 36 one-bedroom apartments and four two-bedroom apartments. All of the apartments are occupied and the beautifully-designed building includes an attractive first-floor lounge, a large community room and Entraguard security with all the outside doors locked at 4 p.m.

The **Hi-Meadows** is the third in the series of buildings in the complex which is owned by Ecumenical Enterprises Inc., the first building, the Meadows Apartments facing the Old Lake Road, the second, the Meadows Nursing Center, Route 415 and Center Hill Road.
