THANK YOU!

We would like to say THANK YOU to the compassionate people in our community who helped bring our dog safely home. Two gentlemen in a black van told me they had seen a dog getting into a car with a woman which led me to the police. Chief Fowler personally escorted me around the neighborhood in search of our family friend. While searching, a call came over the radio that a woman had picked up my dog and more than likely spared its life. Chief Fowler drove me to the location and we were happily united. We just want to say THANK YOU & may God be with you all.
