STARRING IN "PUSS IN BOOTS" - Diana Emery of Huntsville will be featured in the Ballet Theater of Scranton's performance of the children's classic Saturday, April 19.

Diana Emery in "Puss in Boots"

The Ballet Theatre of Scranton is proud to present the children/apprentice company in the story of "Puss in Boots". The performance will take place at the Fine Arts Theater of Marywood College on Saturday, April 29 at 7:30 p.m. The ticket price for "Puss in Boots" is \$6.00.

Audiences young and old will be delighted by this original production of the story of "Puss in Boots". Danced exquisitely by the Ballet Theatre of Scranton's children/apprentice company. The charming choreography of Constance Reynolds will bring out the best in the children and bring life to the fairy tale. The children range in age from 8 years to 13 years.

One of the 13 year olds is a local girl from Huntsville, Diana Emery. Diana will dance the role of the Princess. This will probably be

Diana's last performance with the children/apprentice company. Next year she will be performing only with Ballet Theatre's senior company as a company apprentice.

Diana is an eighth grade scholars student at the Lake-Lehman Junior High. She is a member of the National Junior Honor Society. She is planning to pursue an academic program in high school and also continue with her ballet training. Diana has already had five years of ballet training. She has attended the Briarsky Ballet School summer program at Saratoga Springs, New York. She will be taking a jazz seminar this June with the famous Gus Giordano. She has just taken an audition in Toronto, Canada at the prestigious National Ballet School. She is hoping to pass the audition and

attend their summer program.

"Puss in Boots" opens with the brothers receiving their inheritance. The eldest receives their father's mill; the second receives his horse; and the youngest is left with only a cat. But, what a cat! Before the ballet is over, Puss has introduced his master to a Princess, outwitted the horrific Ogre who wants to eat the Princess and her friends, procured the Ogre's property for his master, and reunited the two lovers. As befits a fairy tale, all live happily ever after.
