Frances Slocum State Park is seeking volunteer naturalist aides to help administer its growing environmental education and interpretive programs. Applicants will be asked to be available at least one day per week during weeks of scheduled activities. (April - October).

Blood drive donations are rising

By CHARLOT M. DENMON
Staff Writer

The recent blood drive held at College Misericordia did not reach its quota of 160 pints but it was a great improvement over previous general community drives, according to Back Mountain American Red Cross Blood Drive volunteer John Lloyd.

"In previous drives for the general community donors, we achieved less than 100 pints," Lloyd explained. "The next general community drive will be July 6 at a location to be announced."

Other blood drives coming up are April 13, College Misericordia which is for students and faculty only; April 17, Dallas Senior High School, also for students and faculty only; and May 3, St. Paul's Lutheran Church, Shavertown, industrial drive.

These drives have been more successful during the past year than they have been for some time.
