On Thursday May 26, 1988 you may have heard of a new restaurant opening in the Pikes Creek/Sweet Valley area. Owners, Debra, Tammy, Colleen, and Melissa Evans, four sisters from the Ildetown/Lehman area, have worked very hard this past year and Friday May 26 they proclaim victory. **THE RED ROOSTER PANCAKE HOUSE AND FAMILY RESTAURANT** is celebrating its one year anniversary. We've found it a satisfying and rewarding challenge in establishing a good family restaurant here in the Pikes Creek area. The support from our customers and friends tell us that they're pleased with our efforts. To us that is rewarding!

We try hard to portray a family home-type atmosphere, serving only quality food with friendly efficient service, all at competitive prices. We look forward to continuing to serve all of those who have placed their confidence in us. We will always do everything we can to assure complete satisfaction and we are looking forward to many more opportunities of serving you in the future. We would also like to take this time to thank our staff for being so cooperative in helping us make this year such a great success. Throughout the month of June customers may register to win special prizes. A final drawing will be held the end of June. We will have helium-filled balloons for the children and special prizes for the adults.
