## Laura Poynton selected for Keystone team

By CHARLOT M. DENMON  
 Staff Writer

Dallas softball pitcher Laura Poynton was one of 15 girls who made the final Blue Mountain/Pocono Region team for this year's Keystone Games, in tryouts held Saturday afternoon at the Coal Street field.

Twenty seven girls, five from the Back Mountain, came out for the final tryouts, but Poynton was the only local player to survive the cut. She was one of the five pitchers selected for the team, with all games prior to the medal rounds scheduled between August 10 and August 13.

Coaches for the local region team are Jim Bodinger and Gene Wright. Lake-Lehman guidance counselor Florence Finn is the games' softball coordinator.

The girls who made the team will have two practices at a date to be set by the coaches.

Poynton has been a starter on the Dallas High School varsity team since she was a freshman. In her first year she played in various positions in the infield and outfield and pitched three of the varsity games. She finished her sophomore year with a 19-2 record and

this past year ended with a 12-2 record, sitting out two games due to an injury. She has a three-year record of 34-4.

Laura, who will be a senior in the Fall, has played Little League hardball and senior softball since she was eight years of age. This summer she is a member of the Amateur Softball Association fast pitch team, but has been unable to play to date due to the inclement weather.

In the fast pitch division of the Keystone Games, there will be 12 games played before the teams advance to the medal rounds.

The Back Mountain scored four runs in the bottom of the second inning, and pushed across one in

the third and one in the fourth to move to six, while holding Nanticoke to two runs in the fourth and two in the sixth.

In Friday's game, Schultz struck out 10 and gave up only four hits while his teammates aided him by taking advantage of the Swoyersville defense to score five runs in the top of the first inning and two more in the top of the fifth.

Schultz helped win his own game driving out two hits in three times at bat, one of them a double. Todd Sallo also went two-for-four, and Butler drove out a long double to drive in a run. Third baseman Eric Paczewski also hit a single and scored one of the seven runs.
