CHAIRMEN- Pictured, from left, Phonathon co-chairs Jennifer Maslow Morgan and Harry Hershey.

Phonathon co-chairmen are named at Wyoming Seminary

Wyoming Seminary kicked off its 1989 Annual Phonathon on October 10 in Pittsburgh. Co-chairmen for the event, Jennifer Maslow Morgan '78, and Harry Hershey '40, anticipate breaking all records with the projected goal of \$150,000.

Alumni Director Claire Evans '52, has announced that the phonathon will continue in Harrisburg, Washington, D.C., Philadelphia, Hartford, CT, New York City and Northern New Jersey. Locally, the phonathon efforts will commence in Wilkes-Barre November 5 through 20.

The primary purpose of the phonathon is, of course, to raise funds for the school," maintained Evans. "But it is also a marvelous way to communicate vital reunion information, and let our constituents know about upcoming events on campus."

Last year's phonathon not only generated pledges in excess of previous years, but it was supported by a record number of volunteers. "It's good to see and talk to the many people who support Seminary all throughout the year," said Hershey.

It's a hectic time, but it's also plenty of fun," commented Morgan.

EXCHANGE STUDENT- Diego is pictured above with Miss Madonna Ondash, Spanish instructor and Language Department Chairperson at Bishop O'Reilly.

Bishop O'Reilly hosting Spanish exchange student for senior year

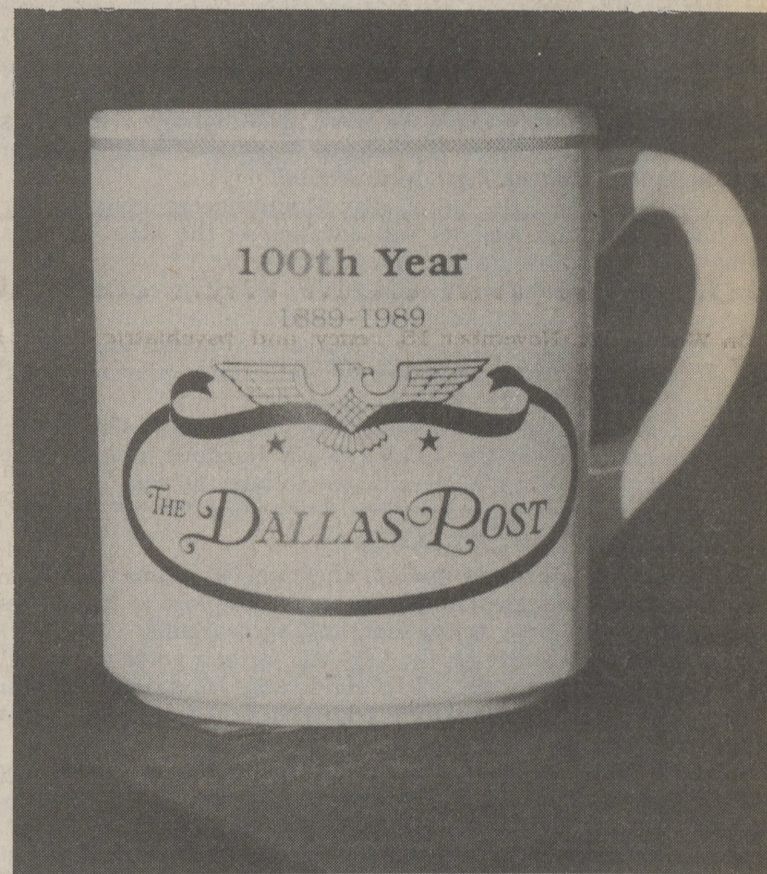

Bishop O'Reilly High School is currently playing host to a foreign exchange student. Diago Baltar, from Santiago de Compostela in the northwest of Spain, is spending his senior year at the Kingston school while residing in Dallas at the home of Mr. and Mrs. Richard Zeglin.

Diego chose to come to the United States during his last year of high school because he plans, upon his return home, to pursue a college degree in business. A second grasp of English, he feels, will be a valuable asset in the international business community. In the

short period of time he has been in America, Diego has already improved his command of the language significantly. He is enjoying his stay so much that he is thinking about returning to America to attend an American university for a master's degree in business.

One of four children, Diego is the son of Rafael and Ana Baltar. His father is an architect in his Spanish hometown. Diego chose to attend Bishop O'Reilly because he attended a parochial high school in Spain and wanted to have a sense of continuity for his final year.
