

# LETTERS TO SANTA

The First Grade students in Mrs. Roeder's class at the Dallas Elementary School have sent their letters to Santa. The Third Grade students of Mrs. Nulton are studying letter writing. Each Third Grade student had a First Grade partner. They worked together to write their letter. The letters are shown below as they were written; no corrections have been made. The First and Third Graders involved in our project would like to wish a Merry Christmas and Happy New Year to all.
