Up to \$3,000 off is a good reason to buy an '89 Saab. But not the best reason.

Best reasons:
No other car in the world gives you all a Saab does in one terrific package: 16-valve performance, the security and handling of front-wheel drive, exceptional roominess and the best safety record on wheels.*
Good reasons:
9000 Turbo up to \$3,000 off
9000S up to \$2,000 off
900 Turbo up to \$1,000 off
Savings only last while selected '89 models last. So, while they aren't the best reason to buy a Saab, they are the best reason to buy one now.
