Dallas Kindergarten registration to be held

Gerald J. Wycallis, Superintendent of the Dallas School District, announces Kindergarten Registration for the 1990-91 school year will be held in the Dallas Adminis-

trative Office Building, Church St., Dallas on March 26, 27, 28 and 29, 1990. Hours will be from 9 a.m. to 12 noon and 1 p.m. to 4 p.m. Monday through Thursday. A Birth Certificate or other acceptable evidence of age must accompany each registration. A child must be five (5) years of age on or before September 30, 1990 to make him/her eligible for Kindergarten.

Those with last names beginning with A, B, C, D, E and F will register on Monday, March 26; those with G, H, I, J, K and L on Tuesday, March 27; those with M, N, O, P, Q and R on Wednesday, March 28; and those with S, T, U, V, W, X, Y and Z on Thursday, March 29. The children who will enter First Grade, but did not attend the Dallas Kindergarten program this past term, may register on Thursday, March 29.

In addition to the registration, vision, speech and hearing screenings will be given.

Under the regulations of the Pennsylvania Department of Health, all children, kindergarten through 12th grade, will be required to provide proof of having received the following immunizations:

Three (3) doses TD of DT Vaccine: for protection against Tetanus (lockjaw) and Diphtheria.

Three (3) does of Oral Polio Vaccine, or if prescribed by a physician, four (4) doses of Salk Injectable Polio Vaccine.

The following vaccines administered at twelve (12) months of age or older:

One (1) dose of live attenuated Measles Vaccine or a blood test showing immunity.

One (1) dose of Live Rubella (German Measles) Vaccine or a blood test showing immunity.

One (1) dose of Live Mumps Vaccine or a signed statement from your physician stating that your child had the disease.

The school officials need to review the child's immunizations to be certain the child meets the standards as set by the state regarding immunizations. If the student's records do not meet the standards, he/she will not be able to attend school.

If immunization is against your religious beliefs or you have a strong moral or ethical conviction similar to a religious belief, you must sign the reverse side of the "Certificate of Immunization" stating your reason. If immunization is not medically advisable at this time, a physician (M.D. or D.O.) must sign the medical exemption on the reverse side of the certificate. Please request the necessary form from the school nurse.

Students compete in national contest

Students from Lake-Lehman High School participated in the 13th "Knowledge Master Open", a national grueling academic contest. Over 40,000 students across the United States, Canada, and the Pacific Basin competed in the "Knowledge Master Open." Using their knowledge in the areas of Trigonometry, World History, Chemistry and 13 other areas of curricula, these students faced tough questions and vied for top scores based on speed and accuracy. The "Knowledge Master Open" was designed to stimulate interest and recognition for academic accomplishment. The contest was developed to run on Apple II Computers in order to provide all schools the opportunity to compete in a national academic contest without the expense of traveling to a central site. Kingswood Scholarships available

Wyoming Seminary College Preparatory School, Kingston, is currently accepting applications for the 1990-91 Kingswood Scholarships.

Applications are available to ninth, 10th and 11th grade students who are members of the United Methodist Church and not currently enrolled in Wyoming Seminary. Awards will be granted to students who, in the judgment of the scholarship committee, combine personal character, a

record of contributions to their current school and church communities, and the ability to achieve academic success at Wyoming Seminary.

Interested applicants should contact Wyoming Seminary's Admissions Director John R. Eidam in writing, or by calling 283-6060. Candidates will be required to submit an information sheet, plus recommendations from their pastor, and teachers, and a school transcript. Deadline for applications is May 15.

Gate of Heaven students use computers

In cooperation with Dallas School District, students from the third through seventh grade at Gate of Heaven School are participating in the Integrated Learning Systems Program at Dallas Middle School.

Students are tested and placed at each individual learning level in enriching their basic reading and math skills on computer. This program enables each student to reach their full potential. The students are motivated and the system emphasizes learning strategies and higher order thinking.

Mr. Jack Wega is Dallas School District computer education coordinator. Sister M. Davida Morgan, RSM is principal of Gate of Heaven School. Shown, from left, Joanne Greger, Maureen Quigley, Kara O'Brien, Cathy Wega, instructor; Robin Considine, Janine Chalk, Mary Ricci, Amanda Adamitz.

Let's Show Off Some Back Mountain Hospitality. . .

The Dallas School District has the honor of being host to the PMEA Region IV Chorus on March 21, 22, 23 and 24, 1990. The guest conductor is a former student of Dallas who is now an eminent composer with many published works, Dr. William C. Cutter. One of the responsibilities of our school district is to find suitable housing for the chorus members who will be representing fifty school districts in Northeastern Pennsylvania. As the chorus consists of 162 members, we are asking cooperation and assistance of parents and friends in this Project:
