Lady Mounts win two, move to 12-1

The Lady Mountaineers of Dallas defeated the Hanover Hawks 12-7 Saturday at the Hanover field after defeating the Pittston Patriots 9-3 in a doubleheader played at the Pittston girls field.

Dallas pitcher Laura Poynton struck out two and walked only one in picking up her 12th win of the season in conference play. Melanie Langdon drove out a two-run homer for the Dallas girls and Ann Faulks hit a grand slam and a homerun to lead in the win at the plate.

On Saturday, the Lady Mountaineers Mollie Connolly went 3-for-4 at the plate knocking out a single, double and a triple and scored two runs in the 9-3 win.

The Dallas team rallied for five runs in the first inning sparked by Connolly's single with one out. She stole second and came home on a single by Melanie Langdon. Langdon stole second and third and scored on a bunt by pitcher Laura Poynton.

Poynton was safe at first on the play then Jennifer Coon singled and Wendy Cave went to first on a fielder's choice to lead the bases with two out. Ann Faulks hit a two-run single to finish the first inning rally. Dallas scored their other runs in the fourth, sixth and seventh innings.

The Mountaineers have two games remaining on their schedule, Tunkhannock and Nanticoke before the regular season ends. If they win those, they will meet Crestwood May 29 to decide the overall title, with the winner meeting Abington Heights for the District 2 title.

Dallas boys finish season 6-7

Bob Ashworth picked up the win on the mound Friday when the Dallas Mountaineers defeated Crestwood 7-2 to end the regular season 6-7.

First baseman hit 2-for-3 and drove in two runs for the Mountaineers while catcher Kaiser crossed the plate twice for Dallas. Ashworth struck out three and walked four while giving up eight hits in the game.

The Mountaineers will meet the loser of the Division AA playoff game Saturday.

Track competitors do well in districts

Dallas cindermen and cinderwomen didn't take the district title this year but they made a good showing in the meet and will send eight first place finishers to the state competition. In the boys results, Steve Oliver was a triple gold winner with a first in the 1600m and 3200m runs and a first in the leg of the 3200m relay. Other firsts in the relay were Dover, B. Smith and Rogers.

Dallas came in second in the 1600m relay and Lake-Lehman came in fourth. Mountaineer Dave Pohl took a third in the 100m dash and a third in the 200m dash.

Brian Kelly of Lake-Lehman took a second in the 400m dash and Dave

Oatridge of Lake-Lehman took a fifth.

In the girls competition, Dallas girls placed second in the 3200m relay and Lauren Frederick of Lake-Lehman came in third in the high jump while Andrea Shone of Dallas placed fifth in the same event. Monique Matthews of Dallas took a sixth in the 100m dash and Michelle Naugle of Lake-Lehman came in third in the 200m dash.

Dallas senior Gretchen Schuler won two gold medals taking the 1600m and the 3200m runs. She also took a silver by coming in second in the 800m run. Ann Smaka of Dallas won the 100m hurdles and freshman Becky Yurko of Dallas surprised everyone by winning the javelin throw.

Lynn Baluh came in third in the triple jump.

Lady Knights crush GAR 19-2

The Lady Knights drove out 13 hits Friday to take a 19-2 win from GAR at home. Wendy Skibitski and Tracey Krupa were each a perfect 3-for-3 at the plate and Brenda Cook smashed out two doubles.

The Lake-Lehman girls scored nine runs in the first inning with Noelle hitting a two-run single. Three walks, several errors, three other hits and a hit by the pitcher helped the Knights score their runs.

Cherup Honeywell picked up the win for the Lady Knights, striking out 10, walking five and allowing only four hits.

Earlier in the week, the Knights lost 7-0 to Meyers whose pitcher Kim Maguire threw a two-hitter and struck out 11 Knights. Knight Karen Stefanowicz was the losing pitcher, striking out seven and walking only four.

Hanover shuts out Lake-Lehman

The Hanover Hawkeyes shut out the Knights 4-0 last Friday behind the three-hit pitching of Tracy Gribble. Mark Youngblood hit a two-run single in the second inning to lead the Hawks in scoring four runs.

Sam Gorgone was the losing pitcher for the Knights. Earlier in the week, the Queensmen of Bishop O'Reilly upset the Knights 7-5 guarantee the North Division title for Bishop Hoban.

O'Reilly was behind 4-0 going into the sixth inning when they scored two runs to come within two of the Knights.

In the seventh inning the Queensmen came through with five runs to move in front and go on to win. Troy Strauser hit a homer in the bottom of the seventh but the Knights were unable to score any additional runs.

Comets defeat Lady Knights 5-0

The Crestwood Comets defeated the Lady Knights 5-0 in Wednesday's soccer, paced by Molly Kauffman's two goals in the first and third periods. Kauffman's sister Kate also scored a goal for the Comets and Rebecca Castellion and Dawn Aufiero scored the other two.

On Tuesday, the Lady Knights lost to Dallas 9-1 with Lady Mount Sue Richardson leading the way in scoring. She scored three goals and assisted Jen Besecker and Amy Shelley. Megan Moran scored the Mountaineers first goal early in the first period. Brenda Love and Natalie Argentati scored the other goals for the Dallas teams.

Heidi Weinrich scored the lone goal for the Lady Knights.

YOU CAN BUY A SAAB 9000S FOR THE SAME PRICE AS A \$26,000 COMPROMISE.

When it comes to buying a new car, what you trade off is as important as what you trade in.

So it's worth noting that one car asks to be judged not by the single standards of performance, utility or safety - but by all of them: the Saab 9000S.

Powered by the largest engine Saab ever built, the 9000S delivers performance worthy of a true sports sedan.

But this sportiness isn't offered in lieu of space. The 9000S is the only Euro-

pean import to meet EPA specifications as a "Large" car.

Nor is it offered at the expense of safety. Driver-side air bag, rigid steel safety cage and anti-lock brakes are all standard. Which has helped the 9000S earn the highest safety rating of any car in its class.

In short, the 9000S is the sports sedan others should be measured by. To do so, stop by and ask for a test drive.
