This is not a small space ad.

We're talking big here: Like two NFL linemen delivering 56.5 cubic feet of hi-fi systems (rear seat folded). Or five chefs traveling with 21.9 cubic feet of Great Danes. (We could also tell you about our responsive 16-valve DOHC Saab engine. Or the road-handling abilities of Saab front-wheel drive. Or the anti-lock brakes and driver's side air bag. But that's for another ad.)

Come see our 900S. Open all three doors. Size it up.

SAAB

The most intelligent cars ever built.
