Santos to be featured at Wilkes recital July 10

The ENCORE Music Camp of Pennsylvania announced that Nathan Santos will be the featured soloist at the concert to be held on Tuesday, July 10 at 8 p.m. The voice recital will be in Gies Hall of Wilkes University.

Santos is a junior in the department of music, theater and dance at Wilkes University, studying voice under Richard Chapline; he is also majoring in double bass under Perry Orfanella. He will perform a program of song cycles. The first work, "Ar die ferne Galiebte," was written by Ludwig Van Beethoven. Next will be "Seven Spanish Folk-songs," of Manuel de Falla. He will also perform "Four Impressions," composed by the American impressionist, Charles T. Griffes.

The son of Prof. Rosendo E. Santos and Rev. Harriet L. Santos, he is currently employed at the Back Mountain Music Company as piano and guitar instructor. He is also a tenor soloist at the First Presbyterian Church, Wilkes-Barre, and has been a counselor of

NATHAN SANTOS

the Encore Music Camp of Pennsylvania. The public is invited to attend free of charge.

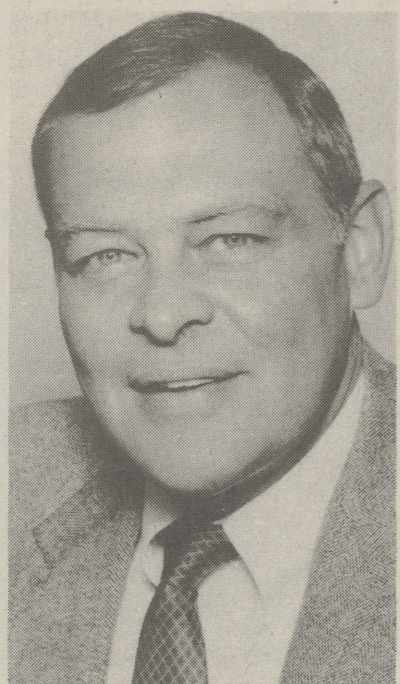

Plank named vice president at Diamond Manufacturing

Rusty Flack, chairman of Diamond Manufacturing Company, recently announced the appointment of J. Lee Plank, Jr. as the company's new executive vice president and chief operating officer. His primary responsibilities include the coordination of sales and manufacturing for this leader in the perforated metals industry.

Formerly vice-president and general manager with National Perforating Corporation of Clinton, Massachusetts and Baltimore, Maryland, Plank brings over 22 years of experience in the field.

He is a past president and board member of the Industrial Perforators Association and chaired their Marketing Development Committee for 14 years. Plank has written numerous magazine articles on the industry and was co-author of the book, Acoustical Uses of Perforated Metal.

He will reside in Dallas with his wife, Donna, and children Lee III, and Christina.

J. LEE PLANK, JR.

Henry named Seminary outstanding alum

Frank M. Henry, Dallas, was named Outstanding Alumni for 1990 by the Wyoming Seminary Alumni Association at its annual celebration luncheon attended by over 250 former schoolmates. The award was announced by Claire Conlon Evans, Director of Alumni Programs. Dr. Wallace F. Stettler, President of the West Side prep school, read the citation and made the presentation to a stunned Henry who did not know he was to be honored. Stettler cited Henry's unflinching service to his alma mater through the years, including his term as Chairman of the Board of Trustees from 1973 to 1979.

Pictured are Frank M. Henry, left and Dr. Wallace F. Stettler.

Planned Parenthood kick-offs fundraising campaign

Back Mountain residents who gathered at the Dallas home of General and Mrs. Frank Townend to kick-off Planned Parenthood's annual fundraising campaign included, from left, Stephen Killian, Esq., Estella Parker Killian, Lenchen Townend, Frank Townend, Esq., Geraldine Weiss and Blair Chapuisat.

Ryan, Ph.D., Special Recognition Award; Diane Ryan, Special Recognition Award; Steven Alston, Ph.D., Professional Development Award; Margie Esopi, Fran Brown Humanitarian Award; and Robert Balla, Excellence in Performance Award. Missing from photo is Mohamed Nouri-Moghadam, Ph.D., Innovation Award.

PSU/WB Staff honored for service

Penn State Wilkes-Barre recently honored 16 staff members for dedicated service at a special awards ceremony held on the campus. The honorees included those who have served the campus for five, 10, 15, 20 and 25 years, each receiving a special gift from Campus Executive Officer Dr. James H. Ryan. Shown in front row, from left, Priscilla Allison, assistant professor of Speech Communication, 25 years of service; Karen Cox, executive secretary to the CEO, 5 years; Diane Ryan, coordinator of counseling and advising, 10 years; Judy Ehret, secretary for Continuing Education, 5 years; and Joseph Kolesar, job placement coordinator, 5 years.

Second row, Kenneth Boback, instructor of mathematics, 5 years; Thomas Kane, maintenance staff, 10 years; Harol A. Groff, assistant professor of Telecommunications Technology, 10 years; and Leo A. Corbett, assistant professor of Surveying Technology, 15 years. Third row, Frederick Stefon, Ph.D., assistant professor of History, 20 years; and Carol Husa, Development assistant, 5 years.

Missing from photo are: G. G. Gregory, assistant professor of English, 25 years; Carol Ewanish, bookstore clerk, 5 years; Mary Manzoni, regional secretary, Penn State Cooperative Extension Service, 5 years; Fay Richardson, interim regional director, Northeast Region, Penn State Cooperative Extension Service, 5 years; John Yenchik, instructor of Spanish.

Dr. Nejb to present papers at symposium

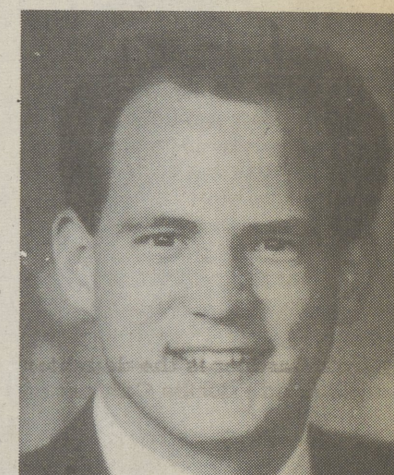

Dr. Umid Nejb of Trucksville, Dean and Professor of Electrical Engineering, Wilkes University School of Science and Engineering will present two papers at the 19th International Symposium on Frontiers in Education (FIE) in Vienna, Austria and Budapest, Hungary during the first week in July.

The two papers describe two unique components of the Wilkes University engineering program.

Dr. Nejb is a member of many professional organizations including the IEEE, IIE, NSPE, ASEE, AOC and both the Pennsylvania and New York Academies of Sciences. He has published more than 60 technical papers and supervised more than 50 funded projects in areas of energy conversion, RF communication and sensing, automation and digital systems.

During his career, Dr. Nejb has been professionally associated with Westinghouse Corp., NASA, RCA, Ford Motor Company, Frito-Lay, Cincinnati Milicron, The United Nations and the National Research Institute. He earned his Ph.D. in electrical engineering from the Carnegie-Mellon University.

As the Dean of the School of Science and Engineering, Dr. Nejb manages seven departments. A wide variety of innovative programs and degrees are offered, based on the philosophy of immersing the student in a coherent educational environment designed to nurture scientific curiosity, professional growth and self-confidence.

Surgical Specialists of Wyoming Valley is pleased to announce that a new procedure is now available in the Wyoming Valley.

LAPAROSCOPIC CHOLECYSTECTOMY
(removal of gallbladder)

This alternative to the conventional "open" operation employs several small punctures rather than one larger incision and the gallbladder is removed with long thin instruments. Patients generally go home the next day and are back at work in a week. Anyone with questions about this exciting new approach to gallbladder disease can attend one of the free lectures which will be given in our waiting room at:

7pm Thur June 28
7pm Mon July 2
7pm Mon July 9
