**Insurance claim ratings**

Here are ratings for 1986 through 1988 model cars based on the number of insurance  
claims filed after accidents. The first column rates the number of injury claims filed.  
The index average is 100; lower numbers mean fewer injury claims.

**Safety firsts.**

For the third year running, Saabs had fewer injury insurance claims than any cars in their classes. That's the latest report from the Highway Loss Data Institute. Come in for the HLDI report. It's safe to say you'll test out a Saab.
