THE THRILL OF DRIVING A SAAB. THE JOY OF USING SOMEONE ELSE'S MONEY.

Saab presents a truly exciting plan to preserve your capital. It's called Saab-Lease, and it does exactly what its name suggests.

Second, it leaves your own finances intact. Since you're leasing, your money stays in the bank. Where it does what it does best: earn interest, which can help pay for the lease.

First, it gets you into a Saab. Which means you'll be driving a true European touring car whose sheer zeal, roadworthiness and safety are legendary.

He'll show you how to pursue financial well-being and enjoy every mile of the trip.
