Openings still available for seniors driving course

"55" Alive driving course has only a few openings available. Course attendance will be limited to 30 Senior Citizens having valid license.

The demand for the "55 Alive Driving Course continues to be popular with our Senior Citizens 50 years and older. A recent meeting of the instructors found these courses popular in all areas of our country.

On September 19 the course will be held in the social rooms of the First United Methodist Church, Plymouth. This one day presentation will consist of attendance 9 a.m. to 4:30 p.m. Upon completion will be forwarded to National AARP for registering in the computer file.

Seniors who are registered may be entitled to a 10% discount on their auto insurance policy. This can amount to over \$30.00 per year. Each registration is valid for three years. Registrants are aware of the new Pa. Law which went into effect July 1st, which guarantees certain provisions for car insurance.

Due to the registration for this course, Seniors are asked to send their \$7.00 fee, made out to AARP, and mail it to instructor Jerry Fritzen, 115 South Thomas Avenue, Edwardsville, Pa. 18704. This course presentation will be sponsored by the Valley Auto Club (AAA) and Chamberlin Insurance Agency, Scranton, Pa.

For those Senior Citizens who are desirous of reducing insurance costs, this course will afford them that opportunity. Instructors have limited courses to 30 persons. You can get additional information by calling 282-3342 or 717-346-5751. All materials will be furnished at the time of presentation, however, we ask that you register early in order to guarantee your acceptance to this National "55" Alive Driving Refresher Course.

Back Mountain Library hosts Summer Reading Party

The Back Mountain Memorial Library entertained the members of the "Treasure of the Black Diamond Reading Club" and the "Journey Through Storybookland" Read-to-Me-Club at the party at Frances Slocum State Park. Included in the festivities were games, scavenger hunts, and refreshments. Jerry Kozlansky, Park Naturalist, told the children about Frances Slocum and the life of the Indians who hunted on the land where the park is today. Those who were able to attend are pictured above.

Paintings by Leigh Pawling on display at United Penn Bank

Leigh Pawling is currently exhibiting some of her most recent art works in oils and watercolors at the Dallas Branch of the United Penn Bank. The collection represents works created in Italy as well as paintings from Lake Louise and

Dallas. The oils are large in size with bold colors applied expressionistically, while Pawling's watercolors are rhythmic, sensitive, and appear to be full of color and shifting light.

Pawling, the daughter of Shep

and Corrine Pawling of Lake Louise, is working toward a degree in Fine Arts from Wittenburg University. She recently returned from a year spent in Florence, Italy where she studied advanced drawing and painting as well as sculpture at the

Studio Art Center International. Pawling is currently working with her former instructor and fellow artist Sue Hand to produce a slide presentation, exhibits, and a book titled, "Painting together."

The public is invited to view the

exhibit at the United Penn Bank, Main St., Dallas, during regular banking hours. The exhibit will run through Sept. 5.
