THE THRILL OF DRIVING A SAAB. THE JOY OF USING SOMEONE ELSE'S MONEY.

Saab presents a truly exciting plan to preserve your capital. It's called Saab-Lease, and it does exactly what its name suggests.

Second, it leaves your own finances intact. Since you're leasing your money stays in the bank. Where it does what it does best: earn interest, which can help pay for the lease.

Even that will be easier because you'll be dealing directly with Saab - eliminating the middleman and minimizing the cost.

For complete details - including lease durations, buy-back options, even our extended service contract - see your Saab dealer. He'll show you how to pursue financial well-being and enjoy every mile of the trip.
