Like Martin, he is a B student and also participates in a second sport, track, where he runs the 100m, 200m, and 400m as well as the 1600m relay. Last year he finished fifth in districts in the 400m and fourth with the relay team. As a sophomore he ran the 100, 200 and 4x100m relay, but last year he dropped the 4x100 and added the 400m dash and the 1600m relay.

As a junior he finished first in the events so many times, he is unable to count them accurately since the track events are held several times weekly and the stats are not posted.

In commenting on the Bishop Hafey game, Oatridge said, "Our team played well on offense and defense, just an all-around good game. Bishop Hafey is a young team but they played hard. They are well disciplined.

"This week against Bishop Hoban we will have to be well

prepared because they run a variety of defenses with a lot of stunts. If we don't pick them up on offense we could be in trouble."

Martin said "Our team wasn't really prepared for GAR and we didn't play a good game. Our defense was good but not our offense.

"Against Bishop Hafey we were well prepared and came out hitting them early which slowed them down. We took them off guard.

"If we are not well prepared for Bishop Hoban, it could be a game like GAR. The Argents are small but they could give us a struggle. They have a lot of crazy plays we will have to watch for," Martin said.

Gorgone said his kids will work hard this week, planning plays against the Argents. "We have a lot of skilled kids this year and when they are by athletes like Oatridge and Martin combined with good passing and kicking, they will be on the field to win."
