

SCHOOL

Dallas freshmen urged to take development test

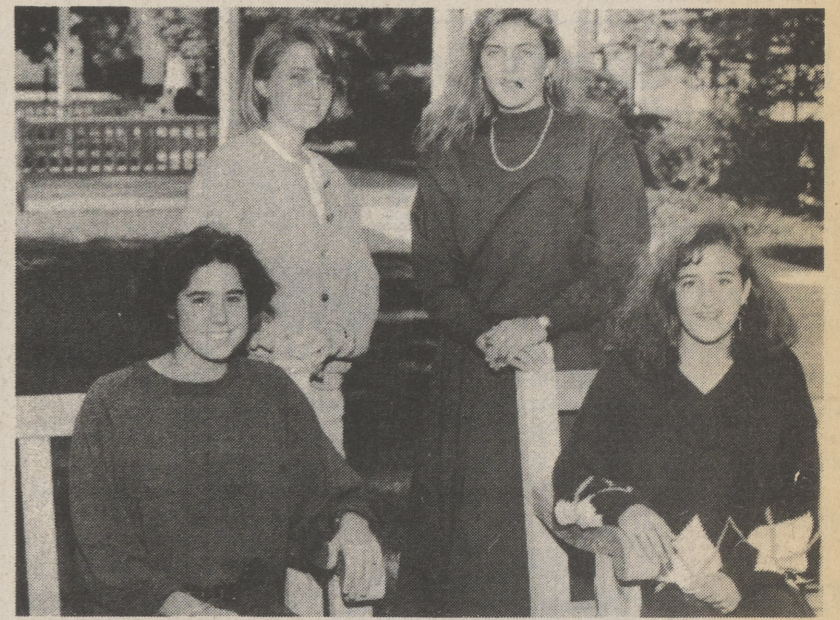

Dallas Senior High School students in grade 9 are encouraged to register for the National Education Development Test (NEDT) that will be administered on Tuesday, October 23, 1990. It is advisable for student who will be taking the Scholastic Aptitude Test (SAT) and going on to college to take the NEDT at this time. Students interested in taking these tests should register in the guidance office. The registration fee is \$3.98 and must be paid by Friday, October 19, 1990. No late registration, or registration without fee can be accepted.

The various tests will take approximately three hours to complete, and they will measure the following intellectual skills: Eng-

lish Usage, Mathematics Usage, Social Studies Reading and Natural Sciences Reading.

Approximately two months after the test is administered, each student will receive a Student Handbook. This booklet will report his/her scores and will help in the interpretation of those scores. The information derived from the NEDT, when combined with other relevant information, can be used to provide the student with a measure of his/her educational development thus far and to assist him/her in forming realistic educational and vocational plans.

If you have any questions, feel free to contact either Mrs. Russin or Mr. Shevock, guidance counselors, at the senior high school.

HOMECOMING QUEEN CANDIDATES - Seated, Hannah Greenwald, Karen Cera; standing Susan Scovell and Jennifer Mugford.

Seminary Homecoming Queen candidates chosen

Students from Wyoming Seminary College Preparatory School, Kingston, have selected their four homecoming queen candidates from each of the school's societies. They are Jennifer Mugford, daughter of Mr. and Mrs. Robert Mugford of Dallas, representing the Alexandrian Society; Karen Cera, daughter of Dr. and Mrs. Peter Cera of Danville representing the Athenian Society; Hannah Greenwald, rep-

resenting the Florentine Society, and the daughter of Dr. and Mrs. David Greenwald of Kingston; and Susan Scovell, daughter of Robert J. Scovell of Dallas, representing the Oxonian Society.

On Saturday, Oct. 27 during halftime of the football game between Seminary and Valley Forge, the announcement of the Homecoming Queen will be made

Gate of Heaven auction slated for October 20

The Fifth Annual Gate of Heaven PTG Auction will be held Saturday, October 20, beginning at 6 p.m. in the Gate of Heaven gymnasium.

The auction, a prime fund-raising event for the school, features many valuable items donated by merchants from throughout the Back Mountain and the Wyoming Valley.

There will be several celebrity auctioneers, including Father Michael Sullivan and Monsignor

Kevin O'Neill. In addition, 'mystery guest' auctioneers are expected to drop by and lend their talents during the evening's event.

The auction will be preceded by a craft sale featuring many unique, one-of-a-kind and seasonal items crafted and donated by local craftsmen.

Refreshments, including alcoholic beverages, will be served. The adult public is encouraged to attend.

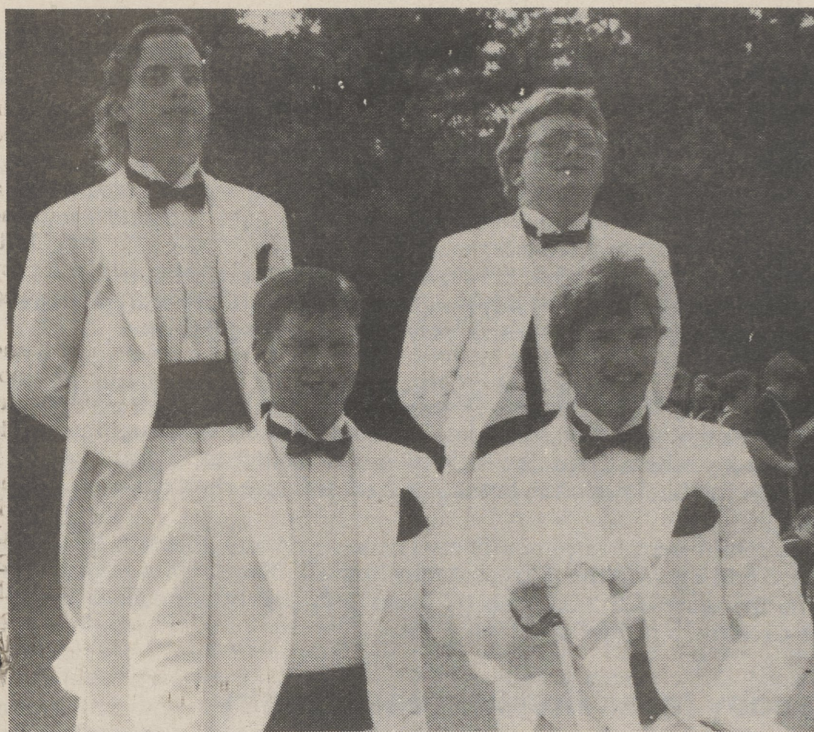

Chapter I parents invited to annual meeting Oct. 23

Parents of children currently enrolled in Lake-Lehman's Chapter I Reading and/or Math Programs are cordially invited to attend the Annual Meeting for parents. This meeting will be held on October 23, at 7 p.m., in the Multi-Purpose Room of the Lehman-Jackson Elementary School.

The meeting provides parents with an excellent opportunity to meet with Chapter I Reading and Math teachers and to discuss ac-

tivities that you can use with your child at home. Parents can familiarize themselves with the materials and instructional aids being utilized by their child in the Reading and Math Programs.

Membership in the Parent's Advisory Council will allow you to become involved in the program and will be explained at this time. We welcome this opportunity to meet you. Refreshments will be served.

Lehman band places in competition

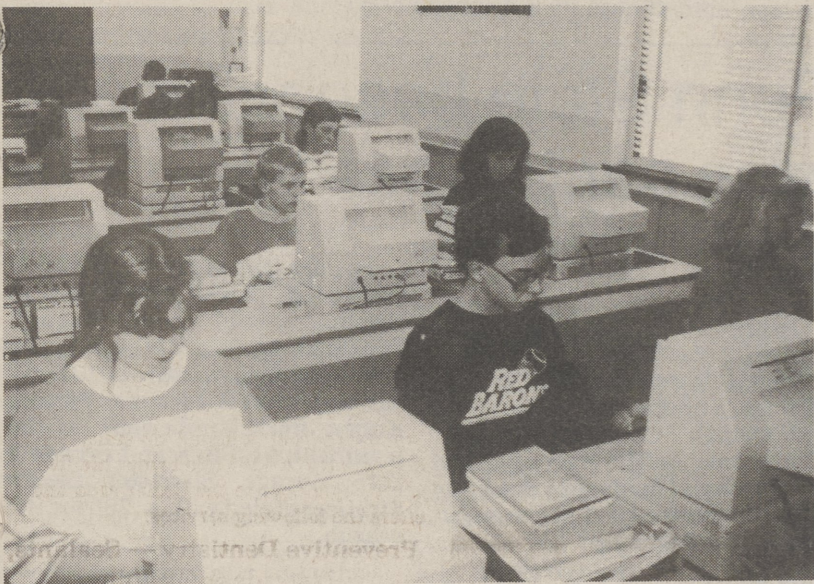

The Lake-Lehman High School Marching Band journeyed to Long Island, New York recently to compete in field show competition against 12 bands from New York and New Jersey. The band vied for trophies and recognition and were judged on marching execution, music execution, music analysis, general effect, visual and general effect music.

The completion of the competition saw Mr. Edward Richard's charges receiving the highest overall score and trophies for high music and high visual. Tammi Trescavage, Lake-Lehman drum major, was awarded the best drum major trophy.

The Lake-Lehman Band accepted an invitation to march in this year's Thanksgiving Day Parade held in Philadelphia and broadcast on national television.

Maureen Richards is assistant band director and Michael Fritzen is band president.

Shown above is the Lake-Lehman rifle squad. Left to right, Bob Jones, captain, and Jim Karlowicz; second row, John Russell and James Phares.

Middle School enlarges computer area

The Dallas Middle School has made major advances in the area of computers. The computer literacy lab has moved to a larger classroom and has been expanded to thirty stations. The seventh and eighth grade students are instructed by Mr. Michael Weyman in the working of Apple II E computer. Topics taught include the history of computing, keyboarding, Apple's disk operating system, elementary B.A.S.I.C. programming and an introduction to graphics.

Pictured first row: Laura Chacallo, Brad Burnafords, and Joan Bednar. Second row; Tom Froncek, James Prebula and Winnie Ellsworth.

Lehman-Jackson PTA to meet Oct. 24

The Lake-Lehman/Jackson PTA will hold its October general membership meeting on Wednesday, Oct. 24 at 7:00 p.m. in the multipurpose room of the elementary school. The highlight of the evening will be a performance of the one-act musical "The Inside Pitch," performed by the 5th grade.

TUESDAY - Italian meatballs/sauce, hard roll, green beans, cake, milk.

WEDNESDAY - Chicken patty w/lettuce-tomato, noodles, fruit, pound cake, milk.

DR. ROBERT GREENHALGH PRESENTS
TO YOUR HEALTH

Speech problems in young children

My child is a year old and hasn't said her first word yet. Is there something wrong with her? How late is too late, and should I take her to the doctor?

The first words are usually spoken around the age of one, but anywhere from ten to fifteen months is considered normal, so don't start worrying yet. However, if your child has experienced any of the following problems, know that it is possible that she is at risk for delayed speech and language development: A difficult delivery, or trauma before birth; ventilation or intubation after delivery due to an inability to breathe on her own; and inability to suck or swallow well; middle ear infections; high fevers that led to seizure; a noticeable lack of babbling or response to others' speech at around six months; cerebral palsy; or general retardation. All of these (as well as other unknown causes) can be precursors to speech and/or language development problems, but not necessarily cause problems.

Knowing why a child is slow to talk is not necessary to begin treating the problem. If you

suspect your child is behind in speech and language development, look for a certified and (if the state requires it) licensed speech and language pathologist, or a clinic accredited by the American Speech, Language and Hearing Association. It will be listed as "PSB" or Professional Service Board-accredited.

An important part of the therapist's work is teaching the parents to stimulate the child by talking and using other techniques to encourage development. Therapists and developmental researchers are also interested in trying to predict speech problems early on. An infant that has problems sucking or swallowing should be carefully observed by the parents over the next few months for behavioral cues to future speech troubles. The therapist can also be consulted to help with feeding the child.

Parents of children who have chronic ear infections should be especially watchful of potential problems with speech and language development. Ear infection can cause slight, usually temporary, hearing loss which in turn can delay oral/motor function.

Reach ALL of the
BACK MOUNTAIN
at ONE LOW PRICE
with

Back Mountain
Trader

If you're in business, you know the problem:

How to reach as many potential customers as possible with your advertising...without busting the budget.

Now there's an answer.

- **The Trader** is delivered to nearly 10,000 homes in the Back Mountain by U.S. Post Office direct mail. Published by the same folks who bring you *The Dallas Post*,
