Mini-Mounts battle Plymouth to overtime in championship

For the players, coaches and fans of the Dallas A-Team Mini-Mountaineers it may have been the greatest game ever played.

It was the mini-football superbowl played Sunday, November 10 as Dallas and Plymouth battled into overtime before Plymouth walked away with the victory.

Dallas entered the game with a record of 10-1. The team was fresh off a semi-final victory over West Pittston. Quarterback Randy Slaff scored three times in that 28-6 win.

Plymouth's win over Wyoming in the semi-finals kept the team's record perfect at 10-0.

At the outset of the championship game, Plymouth came out strong and during the first offensive series the team's powerful offense drove down the field for a touchdown.

Dallas, on the other hand, struggled offensively. The powerful running game that helped the team to the superbowl was stopped by the Plymouth defense.

As the first quarter continued on, Dallas made the adjustments needed to stop Plymouth's offense. At the same time the mini-mounts offense came up with some big plays on way to a touchdown.

During that drive, Slaff hit receiver Tim Puz three times, on passes of 40 yards, 10 yards and on the touchdown pass.

Both teams finished out the first half with strong defensive stands as momentum shifted back and forth between the two teams. Hard hitting discipline football was shown by both teams on both sides of the ball.

The second half started as the first half did. Plymouth's offense took the ball and put together a long scoring drive. After the touchdown, Plymouth was also able to capitalize on the two-point conversion.

The mini-mounts didn't quit, however and the offense put together a strong passing attack that put the ball in the end zone when Slaff hit Puz for a 25-yard scoring strike.

To tie the game, the mini-mounts needed to make the two-point conversion. Again Dallas went to the pass but when Slaff dropped back Plymouth's defense mounted a strong rush and chased the quarterback out of the pocket. Slaff continued to scramble all the way back to his 17-yard line before finding a receiver in the end zone

to tie the game, 14-14.

Plymouth's offense tried to mount a drive but was stopped by the mini-mounts. Dallas got the ball back late in the game but could not put the ball in the end zone before time ran out.

The overtime rules for the championship game were explained to the teams. The ball was placed at the 10-yard line and each team would have four plays to score.

Plymouth's offense was able to push the ball across the goal line. Dallas' effort fell a bit short and Plymouth was declared champions.

Despite, the loss, Dallas coaches and fans praised the hard work of the team's effort not only during the championship game but throughout the year.

Shannon Cleary wraps up junior season at Ursinus

Dallas High School graduate Shannon Cleary, a junior international relations major on the Ursinus College field hockey team, finished the season with four goals. She scored single goals in games against Rutgers, Temple, Delaware and Bucknell.

Cleary highlighted her season with the game winning goal in Ursinus' 2-1 season opening win against Rutgers on Sept. 6.

During her senior year at Dallas, Cleary was a member of the District championship field hockey team that posted an 11-1 record.

Getz has perfect pro score to win contest

Aaron Getz of West Wyoming went five for five in the pro section of the football contest to give him eight correct games and the win and the prize of two large pizzas from Perfect Pizza in Trucksville.

Getz missed only two games in the contest and they were both upsets as Penn State downed Notre Dame and Maryland upset Virginia.

The competition was close throughout the contest but Getz proved himself strong in the pro section by picking every game correctly.

A lot of the games were hard to pick this week as evident by the many different contestant picks. Even though Getz was surprised by the college upsets there were many contestants who had faith in Penn State's abilities against the topped rank Fighting Irish.

Games in this week's contest may be just as exciting and fun to predict. Anyone can enter, and the one to pick the most games correctly will enjoy two pizzas from Pizza Perfect in Trucksville.

Make sure you fill out the entry form below and cheer on your teams.

Athletes

(continued from page 14)

up his football coaching job when he was appointed basketball coach and this season expects the team will play a different type of game than in the past. He has been playing basketball since he was in sixth grade.

Ray has been playing baseball since he was about eight years of age and plays shortstop on the high school varsity team.

He has three brothers who like sports as spectators but not as participants.

Ray has a 3.3 average and plans to attend college.

"I also like to play golf but I play terrible game," said Ray. "My goal is one day to defeat my friend Eric Paczewski."

OLIVER'S SEASON WAS RECORD-BREAKING

Senior Steve Oliver puts forth great team effort when running the two-mile relay but in other events and in cross country he has learned he is on his own. He learned four years ago that he gets out of running what he puts into it.

The son of Mr. and Mrs. Thomas Oliver of Midway Manor, Steve took the gold medal this fall in the PIAA State Cross Country competition. He also won the gold medal three out of four years in districts, a gold medal in the Conrad Weiser Run, Reading, and again at State College Invitational.

Steve placed second at the Spike Shoe Run losing first by under one second.

November 15, he left with six other top state finalists for Ohio to run in an All-State meet where runners from eight to 10 states will take part. For the past two years Steve took first place in the league meets breaking the record on the Mountaineers' home course and the record on four other schools courses. He also broke the Division AA and AAA in the districts.

"I have been running for four years when I started running to get in shape for basketball. Now I don't play basketball but run instead," said Steve. "When I return from Ohio I will start to get in shape for winter inside track and then in the spring outdoor track," Steve said.

He plans to run the mile, two mile and two mile relay and he hopes he can continue to be successful.

"I am an endurance runner but not a speed runner unless it is in distance running," Steve explained.

Academically, Steve is 27th in his class with a 3.55 average. He plans to attend college but he has not yet decided on which one.

The above are only five of the athletes who performed in such a dedicated manner during the season that they played key roles in helping their teams win. They are excellent representatives of the high caliber athletes and students now attending Dallas Senior High School. They and other members of their teams are to be commended.

KNIGHTS GIRLS VOLLEYBALL - Members of this year's young Knights Girls Volleyball team worked hard on developing their skills for the season. Above, first row, from left are Nancy Evans, Sue Niezgod, Melanie Raspen, Cathy Long, Jennifer Parise, Janine Jenkins, Swapence Sudhakarari. Second Row, Becky Walter, Sherry Riaubia, Christy Elston, J.J. Long, Tracy Krupa, Nicole Hall, Erin McManus, Stacey Paculavich. Third row, Jill Smigielski, Melissa Billington, Jessica Hynick, Karen Stefanowicz, Karen Zier, Debbie McHenry and Erin Loftus. (Post Photo/ Charlot M. Denmon)

Oliver leads state team to Mid-East victory

Mountaineer Steve Oliver led the Pennsylvania team to its first win since the Mid-East Cross Country Championships began three years, finishing in front of the all-star clubs from Indiana, Kentucky, Michigan and Ohio. Oliver was the

first Pennsylvania to cross the line coming in fourth after being bumped.

The team scores were figured using both the male and female winners and with Oliver and the Seton Catholic twins finishing in

the top 10 it gave the local team the edge over second place Ohio. Oliver, Kim and Kris Kelly and Gretchen Schuler were the only runners from the areas invited to the 5,000 meter course.
