## Taxes

(continued from page 1)

an increase of approximately \$54,000 in revenues and nearly \$26,000 in expenditures.

Projections show that the borough will be spending \$27,036 more than its revenues for the current fiscal year, which ends December 31.

Borough officials are not concerned about the deficit as moneys are available to cover the expenses. The proposed 1991 budget will allow the borough to finish that

year with an excess of approximately \$1,000.

With the proposed budget the tax rates are expected to remain at: Real estate tax, 21.5 mills; Real Estate Transfer Tax, 1.0%; Earned Income Tax, 1.0%; Occupational Privilege Tax, \$10.00; and Per Capita Tax, \$5.00.

The proposed budget is expected to be adopted on second reading at the council's next regular meeting on December 18.
