## Trucksville Nursery registration set for Feb. 1

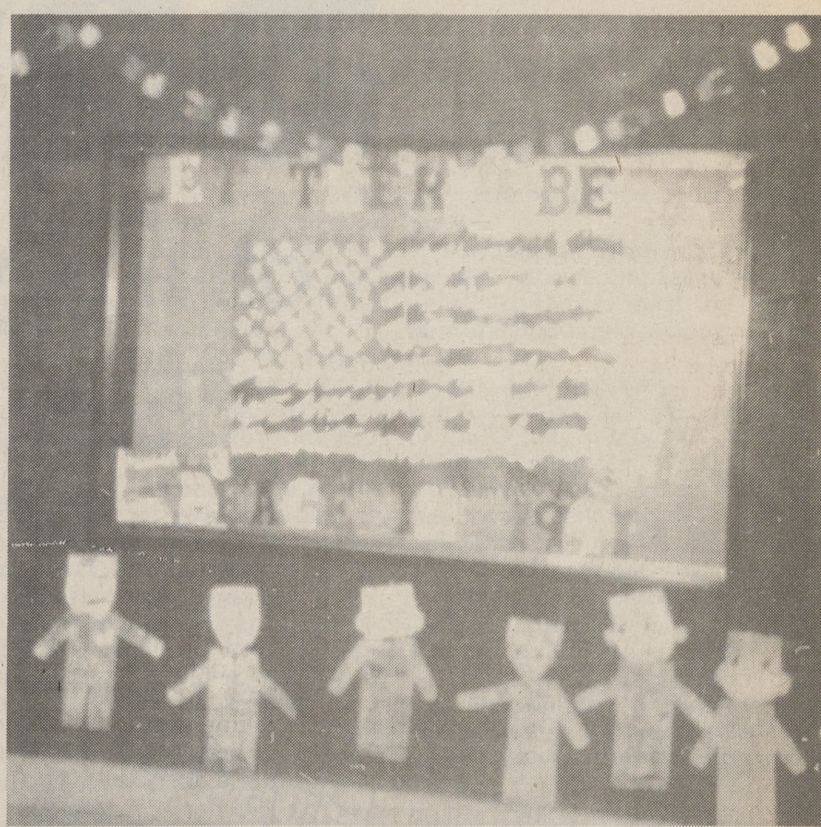

Trucksville Nursery School will be having its registration for the 1991-1992 school year. Registration will be open to the general public on Friday, Feb. 1. Classes will be offered for ages ranging from 2 1/2 years old to 5 years old. Open house will be on February 1, from 10 a.m. to 12:30.

This month the children are involved in learning activities relating to the winter season. They are discussing proper dress for winter, hibernation, and care of winter birds.

Another special project has been learning about endangered species. The year's focus is to learn about the endangered African elephant. The children also recently had their eyes tested by the Pennsylvania Blind Association.

The preschoolers, are involved in making crafts related to the current theme, role playing, singing, and action games without losers. They often enjoy cooking activities and science experiments. A pre-readiness program has been designed to help develop small motor skills and basic concepts. Children in the four and five year old classes use their skills in a unique learning lab setting.

For more information, call the Nursery School office weekdays at 696-3897 or stop to visit between 10 a.m. and 12:30 p.m. on Registration Day, February 1.
