Elizabeth Sichler has announced that she will seek re-election as a representative on the board of directors in the Lake-Lehman School District. Mrs. Sichler has been a member of the board since she was elected to her first term in November, 1987, having received both the Republican and Democratic nominations in the 1987 primary.

Mrs. Sichler is a Marketing Representative for United Credit Bureau Services of Wilkes-Barre. She and her husband Edwin have resided in the Harveys Lake area for the past 18 years with their three children, Karen, Judy and Edmund, all students in the Lake-Lehman School District.

Mrs. Sichler said she supports an excellent educational program and a non-political school board. "I would like to see the recent progress made within the district during the past four years continue. There are many critical issues such as curriculum, instruction, fiscal responsibility and sound budget planning which need to be resolved and I am confident that
