Want to exhibit at the fair? Now's time to apply

The Luzerne County Fair Association is currently accepting applications for indoor and outdoor exhibitors. Committee members note that it is necessary that potential exhibitors reserve their space now for this year's fair.

Many additions are being added to help the exhibitors. This includes the building of a 40 x 184' x 12' exhibit building with a concrete floor which will offer more cleanliness and protection than in the past.

The contract for the building was awarded to Agway and the building will be posthumously dedicated to Red Ambrose, original founder of the Dallas Fair.

This will be the tenth year the fair has been held on its present grounds in Dallas Borough, Dallas Township and Lehman Township.

This year all "local entertainment" is scheduled to portray the community togetherness that makes the fair a growing success.

Opening day is set for Wednesday, Sept. 4, and will feature mud wrestling. Other entertainment will be provided each day, featuring a selection on musical groups.

The annual contests will be going on as usual as the Fair Queen and Fair Princess will be crowned. S&S Amusement will once again be "Your Midway Hosts" and will feature their one price for all rides on Thursday and Sunday.

The fair welcomes all cultural exhibits such as glassware, blacksmiths, leather crafters and others.

Anyone with questions or who would like to become an exhibitor can contact the fair at 675-FAIR (3427) or 639-1398.
