(continued from page 12)

**Tom Makowski**

Atty. Tom Makowski, 38, Wilkes-Barre, candidate for Judge Court of Common Pleas, District 11, is a graduate of Georgetown University Law Center, J.D.

He was a Legislative Assistant/Congressman Daniel J. Flood; Associated in the General Practice of Law, Wilkes-Barre; Master, Domestic Relations Section, Luzerne County Court; Solicitor, Fraternal Order of Police, Lodge 70; Solicitor, Borough of Plymouth; Solicitor, Wilkes-Barre Township Planning Commission and Zoning Board; Member, U.S. Supreme Court, Supreme Court of Pennsylvania, District of Columbia Court of Appeals, U.S. District Court for the District of Columbia, U.S. Court of Appeals for the District of Columbia, U.S. Court of Claims, U.S. Court of Military Appeals, U.S. District Court and U.S. Court of Appeals (Pa), Pennsylvania Bar Association; Candidate, Democratic Nomination for the United States House of Representatives (Pa), 1982.

My previous experience as an Aide to Congressman Daniel Flood from 1975 to 1980, and also my candidacy nine years ago for the 11th District's Congressional seat held by him, have given me an opportunity to meet and to understand the needs of the people of Luzerne County. I feel that this experience has given me a unique opportunity to have first hand knowledge of the type of person that Luzerne County would like to see as an elected official in the community. I have also vowed throughout this campaign that I will continue to be available to listen to people, and to understand what they expect from a judge. I have stated on many occasions that as a lawyer, I have never forgotten that I was a person and an active member in this community. As a judge, I will be the same type of individual. I will always remember where I came from and who I am. I know that I will never change as a person when I become a servant to the public.

**Charles McCormick**

My fourteen years of practice of law in the community has centered on representing people. My legal experience is wide ranging and inclusive of all fields of law. I have developed an extensive municipal law representation and community development background. I have shown myself to be hardworking and energetic for my family, my clients and my community.

I will bring this "people-oriented" background and energy to the court to address the judicial back-log and to insure fundamental fairness in the County.
