Pennsylvania Brewery Historian Rich Wagner of Hatboro will present a slide lecture on The History of the Brewing Industry in Luzerne and Lackawanna Counties, Saturday, Sept. 7, at 1 p.m. at the First United Methodist Church hall, 47 N. Franklin St., Wilkes-Barre.

Wagner and his partner Rich Dochter of Lock Haven have been working since 1980 to document all of the breweries in the Commonwealth. Both have conducted extensive research on the breweries of our area and served as guides for a tour of area breweries this past May.

The lecture is being sponsored by the Wyoming Historical and Geological Society in conjunction with the exhibit on the Brewing Industry in Luzerne and Lackawanna Counties which will be on display at the Society's Museum through November 1.

The exhibition features photographs, promotional objects and other artifacts representing the many breweries which once operated in our area.
