Dallas students win Merit Scholarship honors

Eric Lehman, Keith McDonald, Heather Mead and Geoffrey Spear have been named Commended Students in the National Merit Scholarship Program.

A Letter of Commendation from National Merit Scholarship Corporation (NMSC), which conducts the program will be presented by the

school to these outstanding seniors.

About 35,000 Commended Students throughout the nation are being honored for their outstanding performance on the 1990 Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test, which was the

route of entry to the 1992 Merit Program. Commended Students have shown exceptional academic promise by placing among the top five percent of more than one million program entrants, but their qualifying test scores are slightly below the level required to continue in the 1992 competition for Merit Scholarships.

Lake-Noxen students make Mexicali soup

Each year the third grade class at Lake-Noxen Elementary School spends part of their day in the school cafeteria. They are part of a hands on experience of making Mexicali Soup. With the help of the PTA and their teachers, Yvonne Casey and Robyn Rogers the students learn to chop, dice and mix their soup ingredients and then sit back and enjoy their work.
