Fifth grader wins Misericordia certificate

Mary Bianca Ricci may be only in 5th grade but she's welcome to shop at College Misericordia's bookstore anytime, say college representatives. Ricci, a student at Gate of Heaven in Dallas, was designated a "special kid" for winning the \$100 gift certificate donated by Misericordia and given away at WNEP-TV's For Our Kids special open house. Misericordia is one of four sponsors of the program which focuses on children's issues. In the Halls at Lake-Lehman

By: HILLARY LEWIS
Student Correspondent

Lake-Lehman is a school rich in tradition. Dallas Week, held the week before the Lehman/Dallas football game, is just one small part of this tradition. Each day is a special day used to elevate the school spirit. The days consist of sweatshirt day, tie-dye day, a day of mourning, class color day, and finally black and gold day. Lehman's cheerleaders organize these festivities.

Every year the victor of the football game is presented with "the Shoe." The tradition of the Shoe has been passed down through the generations. During this week, the school unites to face the upcoming game. In addition to the spirit days, there is an assembly held to raise money for the Lake-Lehman yearbook.

This year the Dallas week does not only pertain to football, but also to other outstanding Lake-Lehman fall sports. The soccer team ended their regular season ranked fifth in the state and Division 1 champs. The volleyball team also finished their season with victory as they were presented with the District title. Both teams are working toward a state title.

JUNIOR LEADERSHIP

The Wilkes-Barre Area Junior

Leadership selected Lake-Lehman students for the 1991-1992 school year. Class members for the upcoming year are: senior, Karen Sichler; junior, Diana Emery; sophomore, Christina Jones, and freshman, Kim Daniels.

LAKE-LEHMAN SUPPORTS COMMUNITY

The Lake-Lehman Student Council, S.A.D.D. members, faculty and students collect canned goods and nonperishable food products for the annual fall food drive. The collection begins weeks before Thanksgiving and is distributed just before the holiday. In the season of giving, Lake-Lehman, too, reaches out to help the community. The food drive has always been a successful event due to the hard-working students and especially Cathy Wolfe, the advisor of both groups.

OPEN HOUSE PLANNED

On Sunday, November 17 Lake-Lehman High School will be open to the public for ceremonies dedicating its newly remodeled facilities. The festivities will begin at 2:00 PM, at which time the public is invited to view these new additions. The additions include a new science wing, a writing center, new Home Economics labs and several new classrooms. Lake-Lehman is proud of its remodeled facilities.
