

Dallas first-graders write letters to Santa

The First Grade students in Mrs. Roeder's class at the Dallas Elementary School have sent their letters to Santa.

The Third Grade students of Mrs. Hayden are studying letter writing. Each Third Grade student wrote a letter for their First Grade partner.

All of the children were bursting with enthusiasm. The busy hum of working together and learning from each other was very evident.

The letters are shown below as they were written, mistakes and all.

The First and Third Graders involved in our project would like to wish a Merry Christmas and Happy New Year to all.
