**WHY SUFFER!** WHEN WE CAN CORRECT THE CAUSE.  
**A SUBLUXATION MAY BE THE CAUSE.**

**AT THE KCC WE CORRECT SUBLUXATIONS.**

**WHAT IS A SUBLUXATION?**  
Subluxation is a term used by Doctors of Chiropractic to describe the misalignment of spinal bones resulting in nerve irritation or nerve interference. Even the slightest misalignment can produce pressure and irritation upon nerves, effecting proper communication of vital nerve impulses to the organs, cells and tissues of the body!

**TRUE HEALTH** is the condition which exists when all of the organs and parts of the body work together in coordination and harmony. The Nervous System (Brain and Spinal Cord) is the Master Controller and Coordinator of all body functions. **AT THE KCC** We keep the Nervous system free from any interference due to misplaced spinal Bones, simply allows the body's natural healing ability to function at its maximum...thus keeping Resistance High and Maintaining Health Naturally.
