St. Paul's Lutheran Church dedicates rebuilt pipe organ

On Sunday, Dec. 8, 1991, St. Paul's Lutheran Church in Shavertown dedicated its rebuilt pipe organ. This \$76,500 project marked the culmination of a three year undertaking that also included major renovations to the chancel area, and repainting of the entire church. Originally purchased in 1932 by Trinity Lutheran Church of Wilkes-Barre, the organ came to St. Paul's in 1966 when the Trinity congregation disbanded. The organ fell into disrepair in 1987 and

a decision was reached to repair, and at the same time, make enhancements to it. Henry Johnson of Luzerne, an accomplished organist, assisted St. Paul's in developing the plans for the rebuild and securing the organ builder. A public recital will be held on Sunday, Mar. 29 at St. Paul's. Pastor Harold R. Baer, Jr. and the people of St. Paul's welcome visitors to the Shavertown church every Sunday morning for worship at 8:30 a.m. and 11 a.m.
