## The dentist comes to Mrs. Callahan's kindergarten class

Mrs. Callahan's Kindergarten classes at the Dallas Elementary School noted February as Dental Health Month. The classes worked on several projects including a Dental Health Booklet that the children constructed based on discussions of the theme. They created fingerpaintings depicting "Smiles", and they colored pictures which emphasized good dental health habits.

The A.M. class concluded their studies with a visit from one student's father, a dentist. Shown in the picture is the A.M. class displaying their work and their smiles for Dr. Richard Coslett and Mrs. Callahan.
