### USE 911, POLICE SAY

Dallas Borough Police Chief Jack Fowler has requested anyone who needs police, fire or any other type of emergency assistance to call "911" and not the regular police telephone numbers.

He also asked that all employees instruct their staff to use "911" for emergencies.

"911" is the fastest and most efficient way to get help, Fowler said.

### TWO-CAR ACCIDENT ON HUNTSVILLE ROAD

According to Dallas Borough police, a 1988 Subaru operated by Regina D. Gill, 47, of Dallas, was involved in an accident Friday, April 17, with a 1986 Buick sedan operated by Jarrett James Roan, 43, of Shavertown. Police said that the Gill vehicle had been traveling north on Franklin Street when it turned onto Huntsville Road, striking the front of the Roan vehicle, which was traveling east on Huntsville Road. After impact, the Roan vehicle crossed over the westbound lane of the roadway, coming to rest against a fence at 85 Huntsville Road. Gill stated to police that when she applied the brakes, they did not work.

Dallas Borough Patrolman James Drury investigated the accident.

### TWO D.U.I. ARRESTS

Dallas Borough police arrested two people and charged them before District Magistrate Earl Gregory with driving under the influence. Patrolman James Martin investigated both incidents.

Michele Christine Nevin, 30, of Wilkes-Barre, was arrested Saturday, April 11, after police observed her driving south on Route 415 in an erratic manner. After failing field sobriety tests, a blood test determined that her blood alcohol count was more than twice the legal limit, police said. Dallas Township Patrolmen Robert Jolley and Elliot Ide and Kingston Township Patrolman Charles Rauschkolb assisted at the scene.

David Bruce Forster, 54, of RR 1 Harveys Lake was arrested after police observed him driving north on Route 309 in an erratic manner. After failing field sobriety tests, a blood test determined that his blood alcohol count was more than twice the legal limit, police said.

Dallas Borough police investigated a complaint of theft of services filed Friday, April 10, against Brenda L. Tuttle, 34, of Nanticoke, by Friendly's Restaurant. Police said that Tuttle and a companion had dinner at the restaurant and told the manager that they could not pay the \$16.33 bill because Ms. Tuttle forgot her wallet. Ms. Tuttle gave her driver's license as identification to the manager and promised to pay the bill the next day. When she made no attempt to pay the bill or contact the restaurant, a non-traffic citation for theft of services was filed against her.

Dallas Borough Patrolman James Drury investigated the incident.

According to Harveys Lake police, Anthony Shamis of Trenton, NJ, was injured in a dog bite incident Friday afternoon, April 17, on Warden Place, Harveys Lake.

Police said that Shamis was walking his dog on Warden Place when an eight-year-old female Rottweiler owned by Glenn Bogardis broke its tie-out chain and jumped onto Shamis' dog. Shamis sustained a bite of the hand when he tried to separate the two animals.

Shamis was treated at the scene and transported to the hospital by the Harveys Lake ambulance.

Harveys Lake police were assisted at the scene by Dallas Town-

ship Patrolman Wayman Miers and an officer from the Pennsylvania Fish Commission.

Police said that both dogs had 1992 licenses and current rabies vaccinations. The Rottweiler has not been attack-trained, police said.

Harveys Lake Police Chief Lionel Bulford reminded all borough residents that dogs must have 1992 licenses and valid rabies vaccinations under the Pennsylvania dog law. Dogs must also be tied or leashed according to the statewide leash law, Bulford said.

Bulford said that the state dog warden will soon come through Harveys Lake, checking for current rabies tags and dog licenses.

The maintenance staff had to completely remove the topsoil, correct the problem, add drainage materials and replace the topsoil and turf before the start of the baseball season. The only costs to the district were for wages and materials, according to Superintendent Nancy Davis.

Mrs. Davis also commended fifth grade teacher Mrs. Marilyn Glogowski for completing the 1991 Leadership Wilkes-Barre class.

In other business, the following personnel matters were taken:

United Penn Bank was designated as non-member treasurer and depository for the ESEA Chapter I Program savings account and the general fund account.

Merchants Bank will handle the regular checking, money market savings accounts for food service, the athletic fund checking business statement savings accounts, and the NOW account for Lake-Noxen/Ross Elementary Fund.

Other accounts will be administered by the Pennsylvania School District Liquid Asset fund and the Pennsylvania Local government Investment Trust (PLGIT).

The next committee-of-the-whole meeting is scheduled for April 28, 1992, at 7:30 p.m. in the multi-purpose room of the Lehman-Jackson building.

## Corrections

Due to a typographical error, the meaning of a sentence was changed in the A. Case for Conservation column in last week's Dallas Post.

The sentence should have read: "Increased penalties which went into effect five years ago have not slowed the rate of such crimes in Pennsylvania."

The statement referred to illegal poaching of animals in the state.

The wrong time for a children's story hour at the Dallas Elementary School appeared in last week's calendar. Presented by the Wild Washerwoman, the story hour will begin at 7:00 p.m., not 7:30.
