shot put was my best event. It is my favorite," Masters replied.

"We didn't have a great record, but I thought we were strong in the throwing events and sprinters," Masters said.

At districts, Gary got second place in the shot put and third in javelin. He didn't qualify for states and he said he was upset. However, he said, "Yes, it was a pretty successful year although we didn't win a lot. We learned that even though there wasn't a lot of depth we could still win and be a team. Everyone was pushing each other for their personal best. They also knew how to work as a team."

Masters plans to attend LCCC for a year then hopes to go to Shippensburg University and throw for them. "I'm going to train here on my own 'till it's time."

Shisson ran well

The third senior for Lehman that showed a great deal of success during the year was Mark Shisson. Shisson also plays basketball and is the son of Daniel and Rose Mary Shisson of Sweet Valley.

LEHMAN BLANKS VALLEY WEST

Lake-Lehman beat Wyoming Valley West on Thursday, May 14, by the score of 10-0. Lehman's Karen Stefanowicz and Cherub Honeywell combined to shut out their opponent. The leading hit-

ter for Lehman were Heather Gray and Cherub Honeywell who both had triples. Lehman's record is 12-2 and are currently in first place.

Junior Dave Clancy, son of Norman and Diane Clancy of Harveys Lake is another impressive Knight. This was his first year in track and the high jump event. "Mr. Nark convinced me to come out. At first it was just something to do but now I really enjoy it," Clancy said. Like Shisson, Clancy also played basketball and is a two sport athlete.

"I was happy though, I got third at districts. I jumped 6'1 and the qualifying mark was 6'3. Well, the form is the hardest part and not running is good."

Clancy feels the team will be stronger next year. "We're losing some seniors but we will try to improve our record slightly and get more numbers out to be more competitive."

Whether or not you consider this season good or bad for Lehman you can surely say that these fine athletes are a good representation of the effort and heart it takes to compete with a less than average record, tough conditions, and in high school athletics.
