Conference day for L-L parents

Parent Conference Day for students of the Lake-Lehman School District attending Chapter I Remedial Reading and Math Classes are scheduled for Friday, May 29. Teachers will send notices home designating a time when each parent may come in to discuss the results of their child's individual testing and the progress they made this year. Parents are requested to detach the bottom of their notice and return it to the Chapter I Teacher, indicating whether they are able to attend at their scheduled time. Those parents who are unable to attend at their scheduled time are to list the day and time when they are available. They will then be contacted by the Chapter I Teacher.

Parent Advisory Council members will be in the lobby of the school to direct the parents to their child's room.

The dates are May 29 to May 31.
