and fourth is \$30, with a total of \$300 paid out. A minimum of six entries is required for the total \$300 payout.

Another featured class is the Nancy Rimple Memorial Trophy, open to junior riders under 14 years old competing in two divisions: flat and over fences. The rider scoring the most points in both divisions will win a trophy.

Pony classes will be held in the morning starting at 7:30; horse classes will run in the afternoon until dusk. Each of the 33 classes has its own entry fee. Stalls will be available for \$10.

Each horse must have a negative Coggins test certificate in order to compete. Two veterinarians, Dr. John Shaskas and his associate Dr. Matthew Hennessey, will be on the grounds during the show.

The Dallas Rotary will operate a food and snack stand all day, starting with breakfast, for competitors and spectators. Admission for spectators is free.

Yalick's Farm Market and Rave's will donate flowers for the jump course. They will later be sold at the Back Mountain Memorial Library Auction, July 9-12.

Co-chairmen are Kathy Shaskas and Dr. John Shaskas. Ray Francis will be the judge, with Janie Morris announcing. Ring master Bob Root designed the jump courses and will be in charge of setup and the jump crew.

Sponsors include the Back Mountain Memorial Library, Mr. and Mrs. Richard Pearsall, Dr. David Rimple, Dr. and Mrs. Durelle Scott, Tom and Allie Heffernan, Diamond Manufacturing, William Samuels Insurance, R. N. Fitch and Sons, Sibio's Restaurant, Commonwealth Telephone Co. and the Beaumont Inn/Penn State Seed.

dollar figures, typical residential customers would face these quarterly water bills.

Shavertown: using 13,000 gallons, from \$99.27 to \$127.02.

Noxen: using 9,000 gallons, from \$59.19 to \$95.82.

Dallas: using 14,000 gallons, from \$68.93 to \$136.04.

Harveys Lake: flat rate of \$32.11 to \$118.70.

The main reason the Office of the Consumer Advocate filed the complaint, is the large rate increases requested, said Popowsky.

"Unfortunately in the water industry, we're seeing more and more increases like this," said Popowsky. "The cost of providing water that meets safety standards is increasing faster than other utility costs."

Library gears up for annual auction

By GRACE R. DOVE

With only two weeks left until the Back Mountain Memorial Library auction, committee members are gearing up for success.

One of the oldest of its kind in the Northeast, the library auction is slated for July 9-12 at the library grounds on Huntsville Road.

In addition to antiques, collectibles, plants and books, the auc-

tion will include snacks and the return of an old Back Mountain favorite, the fudge booth. Made from a top secret world-famous recipe by members of the Dallas Federated Women's Club, the fudge was once very popular at the auction.

Another new item is canvas book tote bags, priced at \$8 and \$10.

And the bidding for celebrity items, including baseballs auto-

graphed by Tom Selleck, Kevin Costner and several baseball stars, could become very competitive.

"Our goal is to do our best for the library," said chairman Connie Scott. "Many people mistakenly think that our library is totally funded by tax dollars. State funding accounts for only 10% of our operating budget; the rest is made up by private donations, volunteers and fundraisers."

The circus is coming to Harveys Lake on July 3

The Roberts Brothers Three-Ring Circus will perform at Harveys Lake on Friday, July 3, with shows at 5:30 and 7:30 p.m.

The big top will be set-up at Hanson's Amusement Park Camp-ground near the Amphitheater.

The circus, based in Sarasota, Florida, is performed in the fast non-stop tradition, producing breath-catching thrills, wonder and laughter from the audience.

"This engagement is sponsored by the Harveys Lake Business Tourism Association to raise funds for community services in our area," said Damien Kaye, circus chairman.

Tickets may be purchased in advance for \$4 and \$5 from the following locations: Grotto Pizza, Damien's Restaurant, Nick's Pizza and Sunset Marine. Tickets purchased at the circus are \$5 and \$6.

Grant will help Harveys Lake home owners fix up

A grant for low-income homeowners in Harveys Lake can help pay for essential work on their homes, announced councilman David Abod at the council's meeting June 9.

The grant would come from the Luzerne County Office of Community Development, said Abod, and

would pay up to \$7,500 for work such as insulation, storm windows, or water heaters.

Anyone interested in the grant should call the borough office at 639-2113 or Abod at home.

The council also hired Ted Nafus as a part-time policeman for \$7 an hour.

Road work will start soon in Kingston Township

The Kingston Township Board of Supervisors announces that the 1992 Street Improvement Program will commence within a few weeks. The planned projects involve an investment of over \$200,000 into infrastructure improvements in the Township.

The projects planned for outside contract include resurfacing of part of Bunker Hill Road, Lincoln Drive, and East Mount Airy Road. Storm water control pipe and inlets will also be installed on Bunker Hill Road.

The Township will also resurface and install storm water pipe and inlets on Highland Avenue from Hillside Street to Dug Road. Funding for this project comes from

the Luzerne County Office of Community Development.

Township Road Department personnel will undertake resurfacing of West Center Street, Lehigh Street from Vine Street to East Center Street, Stafford Street, Zinn Street, Vonderheid Street, and Terrace Avenue from Hillside Street to Dug Road.

Residents of the affected streets are asked to be patient during the construction process. The inconvenience will be limited as much as possible.

Residents having questions about the upcoming projects should contact Township Manager Jeffrey Box at 696-3809.

Shavertown Fire Aux. game party is June 25

The Ladies Auxiliary of the Shavertown Fire Co. will hold a "Game Party" on Thursday, June 25 at 7:30 p.m. at the Fire Hall. Refreshments will be served. The public is welcome.

Little Things Count

It's easy to do the big things. We also do the little things well. That's what separates us from all the other cleaners. Tacking a cuff, tightening a button, checking a zipper. We do the little extras that add extra life to your clothes - at no extra cost.

ZAP!

ZAP BACTERIA. NOT YOUR POOL LINER.

Forget chlorine. For vinyl-lined pools, there's a kinder, gentler sanitizer.

Any vinyl liner is a target for chlorine bleaching and fading. But we recommend BAQUACIL® to keep your water sparkling clear without chlorine. Even better, BAQUACIL means less work and more time for fun.
